

ST NICHOLAS CHURCH – BAYDON

Because of a lack of volunteers to de-sanitise the church at the end of every day, we are going to have to resort to the Church 'self-cleaning' over a 72-hour period. We regret to inform you that, from Monday 12th October the church building will only be open on **Sundays** and **Wednesdays**.

We are so sorry, but these are unprecedented times and as soon as we can open daily again, we will.

If anyone has a specific need to go into the building, other than on a Sunday or a Wednesday, Margaret or David Hill will accompany you.

Please phone us on (01672) 540789 and we will come if we can, to unlock and lock up again.
