

## **St Nicholas Church, Baydon – update on the building – April 2019**

The architect has visited and is producing initial plans to be sent to the planning department and the DAC (Diocesan Advisory Committee) to notify them that we would like to change the roofing material from lead to stainless steel.

We are still awaiting a quote from the roofer.

Peter Chambers [rannochpnc@outlook.com](mailto:rannochpnc@outlook.com) is handling the Building Finance project, if you can offer any help with grant applications that would be wonderful.
