Neighbourhood Development Plan

Three more residents had come forward making five in total to help steer an NDP. The three were in attendance in the meeting. Cllr. Chidgey spoke about the amount of work and cost involved in developing a plan and said she will forward on the contact of whom she had spoken to and links that could be useful from Wiltshire Council. It was asked that the three interested residents look at some of the adjacent parish's NDPs as an example.

Cllr. Chidgey said it would be good to develop a plan to protect what the village has, as well as establishing areas for potential development but was not sure how.
