Hello All

Unfortunately, a bit of a rush job on Scene this edition - have been away looking after my baby niece whilst her parents struggle with a particularly pernicious virus. All on the mend now. I'm REALLY sorry.

The Baydon Sport Relief Mile was an amazing success with over 100 folk signed up and taking part. Brilliant Baydon Joggers and Cricket Club! And thanks to everyone who took part. Here's to next year.

The Scene Team are always on the look out for local stories, adverts and nuggets - please feel free to send anything you think might be of interest to those in Baydon. Either:

- email me at [brydgette@email.com](mailto:brydgette@email.com)
- pop any items through my door at 5 Manor Lane, or
- drop copy into Debbie at the Shop who will pass it onto me for inclusion. If Debbie's not there - drop it in the Baydon Scene bag

Have a brilliant Spring and Easter - just cut the lawn for the first time, daffs are out, bluebells are thinking about it and garden's lurching into life. Hoorah!

All the very best

### Simon writes..... Easter Greetings

The old adage is that 'Hope springs eternal in the young man's breast'. For many people, particularly after a long winter, it seems the other way around; it is Spring that brings Hope. Spring, with its promise of new life and longer, lighter days seems a much more hopeful time of year.

In the Christian calendar we see something similar. The sombreness of Lent gives way to the hope of Easter. The bleakness of betrayal and the pain and abandonment of death on the Cross, point to the joy and promise of the Easter morning. The new life theme of Easter is mirrored in the old symbols of Easter eggs and Easter 'bunny'. The new life of Spring is echoed in the Easter promise of death defeated and of life everlasting.

This year I hope that each of us will be able to look beyond the outward symbols to the meaning of Easter. The promise of Easter is not of a new life without cost; a new life in the natural way of things. It is about a new life with God bought at a price; a price that we can never repay. A gift of new life which is priceless and yet freely given to those who place their trust in Jesus Christ.

As the church services take us from Palm Sunday through Good Friday to Easter Day itself, we find that Easter is an event, not a season. This is life in all its fullness; new life that starts at the point we turn to Christ and which continues for ever. It points to an unbroken continuity between physical life and life in the heavenly places. For the Christian this is truly a time of good news. Happy Easter.

*Simon Weeden*

## Church Roof - fund Raising

The Baydon St. Nicholas church roof is badly leaking and needs urgent repair. We're fundraising to stop the leaks!

We have obtained all the necessary permission from the Diocese and local authorities that have been involved in the planning of the repairs to the church roof. The work would only take about three weeks to complete so it seems very disappointing that we have to spend so much time putting out the buckets and bowls to catch the rainwater every wet day. The condition of the roof is deteriorating so the repairs are urgent. We just need to press on even harder with our fund-raising.

The fund currently stands at £13,700. though the architects fees will come out of that. We need £20,000 before we can call the contractors.

Is there anyone who can help us to reach this target? Can we all make a special effort to do what we can to save our church for future generations, it would be so sad to have to close the church altogether, we all need it for our christenings, weddings and funerals and as a place of worship in the village.

Thank you!

If you feel you can help with fundraising or want to know more details please contact Baydon PCC - [church@baydon.org](mailto:church@baydon.org)

## Flower Festival - Jubilee Weekend

We would like to arrange a flower festival in the church on the Jubilee weekend.

We are hoping that the clubs and organisations in the village would like to participate as well as individual folk. I would like it to be an event that uses the talents of the whole village whether they are experienced at flower arranging or not. Everyone will be welcome to contribute.

# Heads Up!

## Baydon St. Nicholas CE Primary School Report

School has been a hive of activity since the start of term. All the children have enjoyed a range of sporting activities ranging from sports team building skills and multi skills clubs through to coaching from Swindon Town Football club. Our Eagle's children took part in the St John's cluster Hockey Festival, whilst Year's 2, 3 and 4 participated in an orienteering festival with St Michael's.

During February we hosted a "Healthy Lunch Box" evening in conjunction with the Bistro Devizes, where we gained some great ideas for healthy options for lunchboxes.

Many of the children participated in the Education Sunday and Mothering Sunday Services showing class work and reading prayers and poems they had written themselves.

We are delighted to be part of the Marlborough Area Educations Partnership with St John's. 10 of our children participated in the launch evening as part of a multi school, school council looking at ICT in the future or as part of the multi school mini production which was performed in the St John's theatre.

Our Science Fair was a huge success with all children demonstrating to parents and friends many science activities and experiments that they had been studying during the term. We also had invited guests showing us various areas of science including photography and veterinary.

On Friday 23<sup>rd</sup> March we had every sort of animal in school that you can imagine (from elephants to snakes and cats to cockerels), when children dressed up in an animal theme to raise money for Sports Relief. During the day staff and children also walked the Sports Relief mile

We have Tesco Schools and Clubs Equipment and Sainsbury Active Kids voucher boxes in reception so please look out for them when you shop and bring them into school.

May I take this opportunity to wish you all a Happy Easter.

Yours with best wishes

Fantastic science skills were on show during the day demonstrating all kinds of weird and wonderful activities. Parents took part, enthusiastically trying out all of the experiments that were available. It was a first time experience for the school, it was messy, it was stressful but the children still pulled it off! This shows that learning can be fun for all ages. If you happened to walk in you would have been greeted by the buzz of excited children experimenting with a wide range of balls finding out about energy transfer, parachutes, volcanoes, signing cost hangers and eff bubbles! Plans are already underway for a bigger and better event later on in the season. And that is what Baydon St Nicholas is all about.

## BAYDON SOCIAL GROUP

The February meeting of the Group was in Sue Lashmar's studio in Manor Lane. Sue gave an entertaining talk about her career, the tools and glass she uses and showed us the process by which she creates her beautiful glassware. A fascinating evening. Thanks Sue. In March we had John Bailey come to talk to us about butterflies. This was an excellent talk accompanied by film of the butterfly's life cycle all painstakingly filmed by John. This was an educational and enjoyable evening.

In April we are going to learn about Bats. (No we are not going to rename ourselves the Nature Study Group!) Jan Freeborn will be coming to talk and walk with us on April 12<sup>th</sup>, 6.30pm at St Nicholas Church. The earlier than usual start is so that we can have the talk and slides prior to dusk when we will be using bat detectors to locate some bats. Tea and coffee is included in the evening.

In May we are moving away from wildlife and are going to be trying some French food. Marie-Noelle Whitty MBE will be presenting a talk entitled "Vive la Difference - How the French Eat". Following the talk we will be trying out some French food and naturally enough accompanying it with a glass of wine. This is tasters only so do not come expecting a full meal! 10<sup>th</sup> May, 7.30pm in the Skylarks Classroom at Baydon School. We will need to know numbers for this evening so please let me know before May 3<sup>rd</sup> if you are coming. Either email, [patricia-rhodes@sky.com](mailto:patricia-rhodes@sky.com) or phone 01672 540481.

Both April and May evenings are free to members, non-members welcome £3 each.

Hope to see new people and current members at these meetings.

## Ramsbury & Wanborough Surgery Update

Doctor Rodney Owen-Jones will be retiring from the practice on 30th June 2012. In the past doctors retiring from the practice have been very touched by the generosity and good wishes they received from patients. To mark the event it would be good to make up a scrap book with your cards, letters, humorous accounts etc. Ideas for presents that Dr. Owen Jones would appreciate.

Dr. Jo Owen-Jones, Dr Rodney's wife, retires simultaneously - although not in our surgery - I am sure she would appreciate arrangement of flowers to wish her well.

If you would like to contribute, please send your cards and cheques (made payable to "Dr Rodney Owen-Jones Retirement Fund") to Tom McGowran, Stronvar, Manor Lane, Baydon. Alternatively there will be a collection tin in the shop.

Closing date 31st May 2012 please.

Many thanks in anticipation.

## "The Other Hand" by Chris Cleave

"The Other Hand" is a brave story. Despite the grimness of the situations it recounts, courage, hope, determination and loyalty are displayed both large and bold, and quietly. These stand out over fear and betrayal in other areas, sometimes from the same characters.

The writing and the story are, to my mind, hugely creative – I cannot imagine coming up with such a thorough and wide-ranging plot in my own head. The notes at the back show the research into real-life situations that underpins the book, however. This may be fiction, but it could just happen out there in the big wide world. All the more affecting, then.

The cover of the book itself refuses to divulge any of the plot or the characters, just saying that the story is special and "extremely funny, but the African beach scene is horrific". Well, yes, steel yourself for that. The cover also says, "Once you have read it, you'll want to tell everyone about it. When you do, please don't tell them what happens either." Well, they're not wrong; so I won't give the plot away. I'll just say that it crosses continents and cultures; clashes Nigerian village life, international big business, bandits and London suburbia; it challenges loyalties, values and priorities; it could tug at your heart and yet still, amidst it all, make you laugh. The characters are solid, credible and three-dimensional, with admirable traits and frail weaknesses. And anyone with a young child obsessed with a particular story will recognise Batman.

## openstudios 2012

It's open (studio) season again, and in the whole of May approx 100 artists in the Newbury area will throw open their doors to show the public what they do!

Feedback from artists over the last few years show that despite the recession, there is still a healthy interest in arts and crafts, as people want something individual on their walls and shelves.

There will be the **Insight 2012** exhibition at Greenham Arts Centre that displays a piece of work by every participating artist and also many other satellite exhibitions.

It is also possible to attend adult and child workshops in a variety of media. If this has piqued your interest, brochures with all the information will be available at Baydon Shop or from myself at Dacre, Manor Lane.

As for my studio in which I produce kiln formed glass, it will be open every Saturday and Sunday in May - 11:00-17:00. I shall be previewing my new collection of jewellery called 'Summer Garden' and I would be delighted to see you!

## Wiltshire Golf

The clocks change near the end of March, the US Masters starts on 5<sup>th</sup> April and suddenly the golf season is well & truly under way. . . . and to make it as easy as possible for those interested in either returning to the game or simply giving it a try, Golf Clubs across the county are organising starter sessions and other events to help you do precisely this. This activity will start during the week of 9<sup>th</sup> to 15<sup>th</sup> April (branded South West Golf Week) and will run into May and beyond for those who return to/take up the game. Families, young boys and girls are particularly welcome. If you are interested, the first starting point is your local Golf Club. Otherwise, available Wilts-wide information will be published at [www.wiltshiregolfpartnership.com](http://www.wiltshiregolfpartnership.com) for whom Joe Goulding at [wiltscdo@live.co.uk](mailto:wiltscdo@live.co.uk) or 07789 813268 will help you if requested.

### Champions of England !!

After two days of full-blooded battle against Warwickshire and Lancashire over the glorious links of Ganton in North Yorkshire, our boys contemplated their very own High Noon on Sunday 25<sup>th</sup> September. Nursing a deficit in the morning session, a mountain called Surrey

would have to be overwhelmed in the afternoon if they were to claim Wiltshire's first ever national golf title. Five hours later, the scoreboards read Surrey 1 Wiltshire 5, the boys had become men, our tractors (in the car park that is) suddenly looked more functional than their Bentleys, the last giant had been slayed, and Wiltshire were astride the pinnacle of England's golfing peak ! The "Pride of Wiltshire" above are: (back row) Jordan Smith (Bowood), Josh & Ben Loughrey (Wrag Barn), separated by Ali James (Cumberwell Park); (front row) Ben Stow (Rushmore), Kevin Phillips & Tom Burley (Broome Manor).

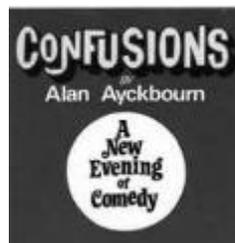

## Olympics - Wiltshire's Moment to Shine!

The Olympic Torch will be coming to Wiltshire next year in the lead up to the London Olympic Games.

**The torch will be travelling through Marlborough on the morning of Wednesday 23 May**

## OPEN AUDITIONS for 'Confusions'

After the success of Blithe Spirit in November, the Marlborough Players are delighted to announce **OPEN AUDITIONS** for Alan Ayckbourn's 'CONFUSIONS' to be performed at Marlborough Town Hall on 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> July 2012. With roles for males and females of all ages anyone interested in acting or helping backstage is welcome to come along. Directed by Sally Wolfenden 'Confusions' is a series of short interlinked plays in styles ranging from comic naturalism to high farce which keep the audience in a state of almost continuous laughter.

**There will be a play reading at The Bear Hotel, 1, High Street, Marlborough on Thursday 5<sup>th</sup> April from 7.30pm for anyone who is interested (with no obligation to audition). Auditions will take place in the upstairs room of The Bear Hotel, on Sunday 15<sup>th</sup> April from 2.30 to 4.30pm and on Tuesday 17<sup>th</sup> April from 7.30 to 9.30pm.**

If you would like more information or would like to audition but are unable to attend on any of the days listed above, please contact Ian Philpott on 01672 512302 to make an alternative arrangement.

Everyone welcome!

## Bus to Newbury - No Need to Book!

*Did you know that there is a bus that runs from Baydon to Newbury at 10.30 am every Thursday for Market Day?*

It is now a regular service so no need to book

The bus will leave Baydon (bus stop on Aldbourne Road) at around 10.30 am and take a slightly different route to Newbury.

It leaves Newbury at 1.30 pm for the return journey.

It may not be as quick, or follow such a direct route, as in the car but it certainly beats finding a place to park – and of course it is free for those over sixty (providing you have your bus pass).
