Year 5 children from Baydon St Nicholas, serving teas at the school

Visit www.baydon.org for up-to-date village news, events, and features

Hello All

We've had fantastic weather so far this summer, feels like a proper summer. Shame it seems to have broken as the children break-up from school. Hopefully the sunnier weather will return.

Jo Cooling

Since the last Scene Muttley has...

... stolen:

- ♦ Chocolate from my cupboard at work - team effort to get the wrapping off him (minus the chocolate)
- ♦ Energy gel sachets from the garage (that's living with a Baydon flyer for you) - they make a mess of a labradoodles fur and make a him sick, not to mention hyperactive
- ♦ Echinacea and Raspberry tea bags from my handbag - decided they weren't very edible but they left a nice purple stain everywhere

He was also caught just before he ate two biscuits from a colleagues desk, for which he earned the title "food seeking missile"...

St Nicholas Church repairs – update

At the 17 July 2017 we had £6,424 in the building fund, the quote for the work is £9,178 (exc VAT as the VAT can be reclaimed) so we still have £2,754 to raise.

If you would like to donate, set up a regular donation or help in any other way please get in touch with one of the Church Wardens: Tina Evans 540250 and Donni Blackwell donniblackwell@icloud.com or any other church member you know.

From the Minister...

August brings those long weeks without school, and possibly there are summer holidays for some of us. I have already had mine in the Shetland Isles and enjoyed visiting the golden unspoiled beach of the most northerly settlement in the United Kingdom – Skaw on the Island of Unst. It was a touch too chill for sunbathing!

Just over 23,000 people live in the Shetland Isles. The local communities seemed to be close-knit with a homely sense of pride in their local history. We went to a “community tea” on a Sunday afternoon. There was a vast array of savouries, sandwiches and cakes and as much tea and coffee as you wanted, at a very modest price. Toddlers played on a carpeted area with parents watching on and chatting. Second hand clothes hung on a rail - available for a donation. The event was busy with people coming and going all afternoon – mainly locals. Money raised was used to fund maintenance projects in the community centre, or for the school.

The tragic events earlier in the year in London, Manchester and at Grenfell Tower have highlighted the way communities can provide strength and support at times of need. In our local village communities, we also understand community spirit. I want to thank you for the many and varied ways you are involved in all that goes on. Our local schools and churches appreciate and rely on your support at their fetes and events.

Perhaps we might consider having a community tea of our own sometime! I hope you enjoy the summer break.

Cream Teas in Newton's Walk - A lovely way to spend a summer afternoon. On Sunday 2nd July many adults and children came and enjoyed the delicious home-made scones and cakes. We raised over £400. Many thanks to all who supported the event and a special thank you to all who set up, baked, served, washed-up and cleared away!

Getting ready for Christmas in August??

Normally, it seems all wrong when someone starts getting ready for Christmas early and the tinsel in the shops begins in September – but this year the Whitton church will be starting the preparations up to Christmas even earlier!

The Faith Journey of the Old Testament August – December 2017 Services

Throughout this time, each church will have a "timeline" of pictures illustrating the various stages, updated as the story unfolds. We'll also be running some weekday discussion sessions in September and October to fill in the historical gaps and answer questions

Heads Up!

I can hardly believe that it's the end of my first year as the Head of Baydon School and what a wonderful year it has been!

Ofsted arrived in May and were delighted with what they saw. Our report is very positive and highlights our strengths from the '*supportive environment and family ethos*' to the '*well-mannered and eager learners*' who consider our school to be '*amazing*'. It goes on to talk about the '*positive impact on pupils' outcomes*'; how we are raising '*aspirations and providing pupils with further challenge*'; the fact that our curriculum enables the children to gain '*confidence in the application of problem-solving skills*' and states that the '*emotional and pastoral support that the school provides to all pupils is an impressive feature of the school.*' I would like to thank all the staff for all that they do. It is very exciting to be part of a team who '*nurture the children in challenging and dynamic ways*'.

At this time of the academic year, local authorities start to collate data from schools and to form an 'emerging national picture' of how well children have achieved across the UK. Although this data is 'emerging', I am delighted that Baydon School is above national and local authority averages for all our published results across the school. This includes phonics in year 1 and reading, writing and maths at years 2 and 6 which is when children are formally assessed. My congratulations go to all the children involved and, once again, my thanks to all the staff.

Over the course of the past few months, the children have been looking at what they 'value' in school. Having voted on their top 10 values, we asked the parents to vote on their top 3. We then asked all staff and Governors to vote too. The values chosen are: Respect, Kindness and Perseverance and we are currently designing a programme with Sue Rodd to look at the distinctly Christian nature of these values and how they can be demonstrated in school.

As always, the summer term is a very busy one and we have continued to offer the children a range of activities from Bikeability to attendance at Sports Festivals including Quad Kids, Rounders and Athletics. Our own Sports Day took place on Tuesday 20th June. Our younger children much enjoyed their visit to Bristol Zoo and we have enjoyed visits from Dogs Trust as well as Wiltshire Bee Trust. A group of children attended 'Music for a Summer's Evening' at St John's which was a fantastic evening and our children did us proud. We also attended the Orison Prayer workshop in St Michael's Church, Aldbourne, which everyone thoroughly enjoyed.

As you may know, Little Crickets, the pre-school in the village, will be closing at the end of this term. Our Governors have expressed their concern about the fact that there will therefore be no provision for under 5s within Baydon and have discussed the impact

that this might have on the school and the community. We have therefore agreed that the school will investigate whether or not it is possible to extend the existing provision and/or age range and provide for younger children on our site.

Our thanks to all those who supported the Church and School Fete and raised £2,600 as well as our parents who hold fundraising activities for us through Friends of Baydon School. Thanks to COBI Aerial Photography who took an Ariel photograph of the children standing in the shape of '2017'. This is now available to see on our website.

We now look forward to our summer performance of Aladdin as well as our Tea Party for the older members of the village community together with those who volunteer in school. My thanks, as always, go to Mrs Blackwell for arranging this for us.

It is now time to say goodbye to our Year 6 Leavers, and we wish them all the best in their new schools, but also time to welcome our new Reception children who have already spent 3 'taster mornings' in school.

The children are due back at school on Tuesday 5th September and we look forward to welcoming everyone back for another successful year.

Community Teas at Baydon St Nicholas

On the 20th July, Bydon St Nicholas School offered cream teas to villagers aged 60 and over and to many who volunteer at the school.

The teas were all made by a group of year 5 pupils. They had made the scones themselves (they were excellent scones, better than many cafes would serve) and the children waited on the guests, taking individual orders for teas.

It was a lovely to see the younger and older generations of the village mixing together and a great way for the school to thank those who volunteer during the year.

The guests were treated to a performance of 3 songs from the schools recent production of Aladdin. There was a promise of loud singing and the guest were not disappointed - a real musical theatre style about the singing and some excellent solos from some of the older children.

Village Fete 2017

We would like to thank everyone who attended, helped & donated items for the Bay church & school fete on Saturday 10th June. With your support we raised just over £2,500 which was a wonderful achievement there will be more money coming in later, so the total will be a bit more. The profits will be shared between the Church & School. Everyone seemed to enjoy the fete being held in the paddock again this year, and the weather which was cool, sunny spells & cloudy, also quite windy, didn't dampen anyones spirits, but was still a lovely afternoon. Once again a very big tha -you to all.

Chief Constable's Monthly Column

I am publishing my column today (19 June), which marks the start of Cystic Fibrosis (CF) Week, and I would like to share with you all the experience of one of my colleagues at Wiltshire Police.

Having worked with this colleague for a number of years, I was recently incredibly interested if not amazed to learn that she has CF. I have to admit that I didn't know much about CF; for me it conjures up images of little children being slapped on the back in order to help clear their lungs or someone who looks very seriously ill.

That was not the healthy, optimistic and bright looking person that sat in front of me. She was very open about the fact that she has periods of time when she feels 'normal' and others when it is a struggle to walk, talk or even breathe properly - something that majority of us will take for granted.

I was not aware that the disease manifests in each person in a different way, characterised by a build-up of mucus in the organs. She spoke about the frequent chest infections and sinusitis, and how it takes a large amount of medications, nebulisers along with exercise to help stay well. Even with all this there are times when admission to hospital is the only option. I was really pleased to hear her talk so positively about the help and support she has had from the force.

Awareness across the department is key and the team all know to keep their distance if they have colds and the importance of frequently using hand sanitiser to help combat germs. Technology has made a difference, we are now more mobile, agile and flexible with the introduction of laptops, smart phones and tablets deployed to the majority of our staff so this wonderful colleague can have greater control of her health and wellbeing as well as continue her contribution to the force which I know is important to her.

Working with the medical team who look after her, Occupational Health, HR and her line manager have put in place a system to closely monitor and support, so she can get on with the day job, take care of herself and avoid crisis points.

The old adage 'never judge a book by its cover' says it all really, and it is something we should all keep in mind.

Last week, the Crime and Communications Centre at Police Headquarters was running a live 'tweetathon', to help raise awareness of the sort of work they deal with. The team there is always incredibly busy, answering calls from the public and helping us to direct resources.

The tweetathon was a great insight into the breadth of work they deal with, but also highlighted just how many 999 calls they receive from people with enquiries that should be directed elsewhere.

You should only call 999 in an emergency, so please think before you dial.

Next month, I will be part of a team from Wiltshire Police taking part in the Police Unity Tour, a cycle ride, raising money for Care Of Police Survivors (COPS).

The 180 mile ride will take place between 28 and 30 July and will feature police colleagues from across the country, riding in memory of those who have lost their lives in the line of duty.

Funding for the community

from Science Museum Group Wroughton Solar Park

Wiltshire Community Foundation is delighted to announce new funding for the community from Science Museum Group Wroughton Solar Park. The solar park started to generate power in July last year and has now released its first funds to benefit the community in the surrounding area.

A £55k funding pot is available for the first grants round in October and applications are now open for community groups to apply for small grants funding of up to £2k for community organisations, working to improve the lives of people living in the parish areas of Wroughton Chiseldon, Clyffe Pypard, Broad Town, Broad Hinton, Ogbourne St George, Ogbourne St Andrew, Aldbourne and Baydon.

In addition applications are also open for two grants of up to £20k for any community organisation for projects that have a focus on science, technology, engineering, maths, environment, health, play. Examples might be the use of renewable energy, ecology or habitat conservation. Projects can be for the creation of a physical asset or for the encouragement of learning i.e. for delivering a specific benefit to the area or providing education about a particular issue. Grants can be for capital or revenue costs. The project must deliver benefit to communities within a 10km radius of Wroughton Solar Park.

To find out more about the criteria and apply visit the Wiltshire Community Foundation website at www.wiltshirecf.org.uk/grant-funds or call the grants team on 01380 729284 for more information.

Sylvia Mather (Charity) Trust

The Sylvia Mather Trust has for several years granted small financial grants to those Baydon residents entering degree or equivalent education. These small grants will help with initial expenses. They are awards to students for achieving the A Levels or equivalent required for entry to a further education opportunity.

If you are taking up an offer of a course in higher education and have received your results then you may be eligible for a grant. To apply for a grant, please email a letter of request stating:

- ♦ the course you will be studying
- ♦ the University/College you will be studying at
- ♦ home address payment can be sent

Please email your request to the administrator at: rannochpnc@outlook.com by **Friday 8th September 2017** to be considered.

Thank you

KENNET COMMUNITY TRANSPORT

Kennet Community Transport has served Marlborough and the surrounding area since 1990. It is a charity and runs a minibus with a lift and fittings to transport people in wheelchairs and with other disabilities, and is the only public transport service in the area so fitted.

We are desperate for volunteer drivers in order to keep this service running.

If you think that you might be able to help then contact:

Roger Hagerty – 01672 540698

Sylvia Mather Trust

The Sylvia Mather Trust was set up in 1968 and is a registered charity (Charity number 288555).

Students living in Baydon could apply for a small monetary grant to help them when continuing their education at university or college.

After nearly 50 years, the original amount of money donated to the fund has dwindled and is running low as we have been in a position to support many applications during that time. Therefore, we are looking for additional sponsors who would be willing to contribute to this important fund to enable it to continue its work in helping villagers to further their education. Perhaps you may have benefited from the grant in the past and are now willing to make a donation to support this charity.

If you would like further information or make a donation then please contact the administrator at rannochpnc@outlook.com.

Are you looking for a venue for your party, group or meeting?

Look no further than Baydon (BYPA) Village Hall, on Manor Lane.

Its spacious, clean and has all the facilities you need, including:

- A full equipped, modern kitchen
- A pretty, sunny garden with children's play equipment
- Plenty of parking
- Clean, accessible toilets

You'll struggle to find a more affordable option for your event within easy reach of Lambourn, Swindon, Wantage and Wanborough.

Hire of the hall costs only £5.50 per hour Monday – Friday and £10 per hour at weekends.

Please contact bypabooking@gmail.com if you'd like to book the hall.

The BYPA Committee is a registered charity run by a group of volunteers. We are on the lookout for more volunteers to help run the hall, in particular a chairman/lady. Please contact bypabooking@gmail.com if you'd like to help.

BAYDON SOCIAL GROUP

Members of the Baydon Social Group enjoyed a sumptuous BBQ (inside, because of the weather!) provided by Janice and Mike Gray, at their home, in June.

In July David Peacock, a local historian, gave the group an informative and interesting tour of Newbury (in much better weather!).

In August a trip is planned to an old Inn built for the "Navvies" who dug the Canal and Tunnel at Coate, near Cirencester.

There will be an optional walk for those willing and able, along the towpath before enjoying a meal at the Inn. All those interested should contact Tom McGowran on 01672 540784.

The Baydon Social Group meets on the 2nd Thursday in every month. The programme and events are planned by individual members, but ANYONE is welcome to join the events as a member, (annual fee £12), or as a guest (£3 per session).

Flyers create group for new riders

As you may know Baydon has its own successful cycling club that has gone literally from strength to strength. Whilst this is great it's also intimidating to potential new riders won't be so fit and worry about keeping up.

So the Flyers have decided it's time to launch a Grupetto section aimed at the not so fit and those who just enjoy riding their bikes. We'll start and finish at the same times and end up in the pit together at the ride end.

Any kind of bike is fine, lycra is optional. You'll need some lights and some beer or drinks money.

If this is you or you want to find out more please come along to the Red Lion @ 6:30pm any Thursday or call Rob on 07903 830 259

PARTY IN THE Paddock

Sunday 16th July saw the second staging of Party in the Paddock! Organised by Friends of Baydon School. There was a brilliant turn out of all ages.

We rocked the afternoon away listening to the band Roadhouse, drinking Pimms and eating burgers. The children had great fun on the bouncy slide, having their faces painted, learning circus skills and making juggling balls!

Thank you everyone for your support of this event. We raised a fabulous £700 for the school.

Baydon's Cycle Club

We have two groups:

The Peloton

- *Our faster, fitter group who ride around 30–35 miles.*

The Grupetto

- *Our less demanding and starter group, who ride about 20–25 miles.*
- *We also feature shorter starter rides for beginners.*

Both groups

- *Keep together so no-one's left behind and offer mechanical support if you need it.*
- *We go whatever the weather, unless it's icy.*
- *We all meet after the ride for drinks in the Red Lion.*
- *Ad hoc rides and events organised at other times.*
- *A really great social way to get and stay fit.*
- *Lots of free cycling advice and help.*
- *Gents and Ladies over 18 welcome.*

**Every Thursday departing
the Red Lion 6.30 pm**

returning about 8.30–9.00pm. You will need lights for the last bit of the ride.

Update from

SaveBaydonLion.UK

We would again like to thank everyone for their continued support and interest in saving the Baydon Lion.

We hope that you have all had the opportunity to read the Business Plan which we issued in early July. For those of you who have not, it is available on the home page of savebaydonlion.uk <<http://savebaydonlion.uk>>.

For those of you who have questions around the acquisition of/investment in the Red Lion as a Community Pub we are planning to hold a surgery type meeting in early August when we will be happy to provide answers. Please keep a look out for the date/time.

You will see from the Business Plan that the Red Lion Community Pub Ltd has successfully obtained HMRC designated EIS (Enterprise Incentive Scheme) status. This gives each investor a tax rebate of 30% of their investment value. To get full advantage of the scheme the shares need to be held for three years. All dividends and profits from sale of the shares will also be exempt from tax under this scheme.

As the deadline of 7 October, 2017 approaches for us to put together a bid to purchase the Red Lion, we ask those supporters who have pledged to buy shares, to complete and return the Share Request Form (which can be downloaded from savebaydonlion.uk) as soon as possible.

We would also ask all those who have not made a pledge, but who would like to play a part in saving the Red Lion to complete the Share Request Form and return without delay.

All information relating to requests for shares will be treated in the strictest confidence.

Now really is the time to act so that together we can save the Baydon Lion.

Colin Newbould

Chairman Save Baydon Lion Team

The Save Baydon Lion Team is a not for profit group of volunteers working together to bring the Red Lion pub into community ownership for the benefit of the people and village of Baydon.

Could you manage the Village Web-site?

Baydon needs a computer savvy volunteer to manage the village website. They must :

- have some knowledge of websites and ability to learn how to use a basic website updating software
- maintain the baydon.org domain name registration, public web-hosting and related costs (hosting and domain is reimbursed by the Parish Council)
- update the village website a few times a week
- Have time to interact with both local community, Parish Council, Wiltshire Council, other local village websites, local police and further afield to receive details of local news and events relevant to the residents of Baydon
- regularly make website back-up
-

This is a rewarding and important contribution to the local community. Anyone interested please contact theaustens@hotmail.com

Vacancy

Baydon Parish Clerk

A part-time job as the Clerk to Baydon Parish Council will be available from July 24 2017. The full council is 7 councillors and currently there are 6 in position.

The Clerk role is approximately 7 hours per week, including one full council meeting every 6 weeks (and extraordinary meetings as necessary).

You will work from home, and will be provided with a laptop, printer and scanner in which to carry out your duties.

The application process will remain open until the vacancy is filled. Please email the Chair on tamsinmwitt@gmail.com

2017 Parish Council Dates are:

★ September 11th October 16th November 27th

BYPA Village Hall, Manor Lane.

Agendas and minutes are available at www.baydon.com and the Parish Council notice board outside the shop

Minutes from Patients representative meeting held on the 7th of June.

Ramsbury & Wanborough Surgery

Carers Roadshow – Our annual Carers

Roadshow took place on Friday 26th May. This event highlights support and services available within the community for Carers. We are keen to hold an event for Young Carers and would welcome any help in identifying young carers and promoting such an event. We continue with our monthly coffee afternoons for Carers, next date is Friday 23rd June. All welcome.

Diabetes Programme – We now have a new programme available to newly diagnosed diabetic patients. This is a 6 week programme offering health education around diabetes. Patients will be able to self-refer, leaflet available from Nursing Team. Community Specialist Diabetic Nurse due to be in post shortly that will be able to support patients within the community rather than attending secondary care.

Sustainability Transformation Plan – Dr Muller gave an update on the STP. Bath & North East Somerset, Swindon and Wiltshire have been working together to develop a STP. The aim is to improve our local population health and wellbeing, to improve service quality and to deliver financial stability. Further details can be found by visiting

www.bathandnortheastsomersetccg.nhs.uk and search for STP.

Patient Survey – All finalised and will be launched over next week or so. Survey will run for approximately 6 weeks.

GP Update – Dr Fisher is due back in Surgery middle of June. Locum cover continues as Dr Tilney remains on maternity leave until the beginning of next year.

Representative issue Positive feedback received regarding staff members and the prompt, efficient service provided to our patients.
