Hello All

It's a brave new world in 2017. President Trump is now in office and an impending Brexit. Fortunately we are not a political publication, but we do have some local issues of our own - can we get some more parish councillors and can we save the village pub? See the centre pages.

Since the last Scene *Muttley* has...

... been diagnosed with cataracts.

It means his night vision is not as good as it was, but it seems he can still see a loaf of bread on a kitchen unit, doughnuts in the office kitchen, a solitary piece of shortbread left unattended by a colleague's coffee cup etc etc....

St Nicholas Church repairs – update

We have been unable to get more quotes for the Vestry. Do you know anyone who would be interested in quoting?

Please would you consider becoming a Steward of St Nicholas church by committing to a regular donation by standing order of perhaps £10 per month, but £5 or £3 would really help too. And, if you are in a position to Gift aid it, your donation would increase by 25%. We are struggling financially at the moment.

The standing order and Gift aid forms are in the church or please get in touch: Rowan at Church@baydon.org or the Church Wardens: Margaret Hill 540789 and Mike Ball 540117

Birth Announcement

CONNOLLY - to Cassie and Thomas on 21st November 2016 in Nambur hospital, Queensland, Australia - a beautiful baby girl.

From the Minister...

February always seems to me an “in-between” sort of month. We’ve had all the glitter and build up to Christmas of December, and the good intentions of January – maybe even “Dry January”, not to mention the credit card bills!

Now spring can still seem a far-away dream as the winter grinds on, with just a glimpse of encouragement as we get a little more daylight each day.

Because light can have an amazing effect on our feeling (or not) of well-being, and on the quality of the judgements we make. I think one of the downsides of getting all our Christmas celebrations over before the day itself is that we may forget that the light that came at Christmas actually still shines on for the rest of the year. The great Christian festival for February (trumping even Valentine’s Day, religiously if not commercially) is “Candlemas”, when we remember Mary and Joseph also getting back into the everyday routine of things after the upheaval of Jesus’ birth, and taking their precious baby to the Temple to present him to God, as Law and custom demanded.

And the godly old man Simeon recognised in this otherwise ordinary-seeming baby, the light that had come to transform the everyday world and give it the potential to become what it could be, by God’s saving love. That reminds us that the light of the joy that came at Christmas is actually an all-year-round thing, illuminating the humdrum and the everyday – unless people block it out!

As we deal with the – sometimes scarily huge, sometimes boringly humdrum – questions and problems that 2017 throws at us, I pray that we’ll be able to hold on to that light and allow it to shine through the choices we make and the actions that we take as we try to build a better world together.

With love

Sue Rodd

Treasurer required - Parochial Church Council

You do not have to be a regular at church. If you have an accounting/bookkeeping background and could spare a few hours a month your help would be invaluable. We need someone to do the bookkeeping on Quickbooks, supply reports quarterly to the PCC, and do the annual returns. Help to set up your computer with the software and through how it all works will be given as well as any help through the year you may require. The day to day banking is done by the Church Wardens and the Gif paperwork by a PCC member, both of them reporting det;

#operationvixen - what a success!

On the 4th December the Village Green was transformed by a massive collection of 107 reindeer hand-made from logs and branches. From 9am people were able to come along and have one for a donation to Action Duchenne. Reindeer owners were offered a choice of name for their new charge and the chance to purchase reindeer biscuits. So as well as raising lots of money, the morning turned into a lovely social event for the village in the lead up to Christmas.

By 1pm all 107 reindeer had sold, and orders had been taken for more. An amazing £1857.00 was raised.

A message from Dawn Howell:

We'd just like to say a huge thank you to everyone who came and bought a deer or two from us. People were very generous with their donations! And also grateful thanks to the #operationvixen team: Philip, Mandy & William Dore, Chris, Marissa, & Imogen Carter, Debbie Moxon, Tamsin Witt, and Ellie & Hayden Howell.

Heads Up!

The new term has started well with the children all enjoying their new topic: Unlocking the Magic! To help us launch this topic, we welcomed 'Spellbinder' in to school on Wednesday 18th January. He certainly held the children 'spellbound' with the stories he told. "It was hilarious; I loved the stories and the dancing; it was all brilliant."

Spellbinder at the school

We were very pleased to welcome Archdeacon Sue to school on Friday 6th January. Our value for this term is perseverance so she led a worship for the children on the subject of the Kings' perseverance in finding Jesus which everyone much enjoyed.

Our Christmas events were all very successful and included a very enjoyable Dick Wittington pantomime, the creation of over 100 Christingles, two wonderful performances of the Nativity story, the FOBS Christmas Grotto, Christmas lunch and parties including a 'surprise' appearance from Father Christmas and the Crib Service on the last day of term. Many thanks to all the staff for their hard work and commitment during these two weeks. The nativity performances were of an extremely high quality and parents, grandparents, neighbours etc. could not speak more highly. Many thanks too to FOBS for all their hard work and to our two father Christmases who attended the Grotto and our Christmas parties. Finally, thanks to the Whitton Team who kindly attended each of our Christmas productions. It does make a difference.

We continue to ensure that our children are offered as many additional opportunities as possible. Our year 6s attended the Cluster Netball competition on 24th November. They had a wonderful day and represented the school very well. On 6th December, the children in years 1, 3 and 6 took part in Walk Safe - an initiative to support children to be safe on the roads.

Thanks to one of our Governors, Marnie Pascoe, we have been working closely with the Parish Council and have submitted a funding application and an updated Travel Plan to Wiltshire Council. These two documents aim to address some of the parking issues around the school. We do appreciate that this is an important issue for the Baydon community and hope that we can work together to aim to reduce the congestion at drop-off and pick-up.

We now look forward to our second lunch which we are holding for the older members of our community on Tuesday 24th January and Education Sunday which is to be held on 29th January.

- A really great social way to get and stay fit.
- We keep together so no-one's left behind and offer mechanical support if you need it.
- We go whatever the weather.
- We all meet after the ride for drinks in the Red Lion.
- Lots of free cycling advice and help.
- Gents and Ladies over 18 welcome.

Every Thursday departing the Red Lion 6.30 pm

returning about 8.30– 9.00pm. You will need lights for the last bit of the ride.

A VISIT TO HIGHGROVE

Following the popular – but very hot! – visit last year to Clarence House and Buckingham Palace, Mindy Milne is organising a visit to Highgrove, country home of H.R.H the Prince of Wales – hopefully in Mid to late May, so that the wildflower meadow for which Highgrove is so renowned should be at its floriferous height. Unfortunately no date has yet been assigned but one should be known in early February.

Anyone interested in this long half-day visit by coach to Tetbury should please get in touch with Mindy now by telephone on 01672 520260 or by email to mindymilne@btinternet.co. As soon as she has a confirmed date she will get back to you to see if you are available on that day. The idea would be to either have a morning visit followed by lunch (£15.95 a head for 2 courses) in the Orchard Restaurant at Highgrove, or lunch first, followed by a guided garden visit in the afternoon.

The cost of this visit will be £75 per person. Lunch is not included in the price, but transport and the generous donation one has to make to the Prince's Trust and the donation to All Saints, Froxfield are included.

The Volunteer, the client, the co-ordinator, the Link !

This makes the

Aldbourn and Baydon Link Scheme.

We are one of 44 schemes that cover Wiltshire and provide a vital transport service to our communities. Our scheme has been working for 10 years and serves our two communities every week of the year. Our clients are taken to surgeries, hospitals, dentists, shopping, vets, garden centres and many other places, helping those who have no transport.

Our volunteers always make a trip more interesting for both parties with a door to door service second to none. Each person does 2 to 3 jobs a month if they are free. This is a good way to be involved and enjoy helping your community if you have a few free hours during the week.

Being a co-ordinator links the volunteer and client through a simple computer system and telephone call. It is a satisfying way of being involved with local people without being a driver, but you can do both!

We are always interested in anyone who feels they would like to try being a volunteer.

WHO ARE THEY?

I have in my possession at the moment a photo album which was presented in 1983 to Lucy Sherbourne (the head of Baydon St. Nicholas School)

It contains photos of all the children attending school at the time – I have been asked to identify them, some of which I have managed to do, with a little help.

However the children on this page are still unnamed.

Does anyone know their names? Please let me know if you can identify them.

Thank you

- Do something completely different to your day job

Please contact the Clerk on 07729 225344 or baydonparishclerk@gmail.com

Thank you...

Baydon Parish Council would like to express thanks for all those who helped make the Christmas Celebrations in the village a success

A special thanks to Brook Johnson for donating the beautiful tree which was erected on The Green and thank you to the volunteers who helped to put the tree up and to take it down. The Carols on the Green and the Christmas Concert in the church was received well by all and are important events in Baydon's calendar.

Parish Council Corner

Dog fouling... in the village is becoming a concern for many residents and Baydon Parish Council urge all dog-owners to be responsible and clean up after their dogs. This means bagging it and placing it in a bin or taking it home with you.

Failing to clean up after your dog is an offence under the –Social Behaviour Crime and Policing Act 2014. It is also a health hazard for children playing and is generally disgusting for all who live in the village

In an attempt to alleviate this problem Baydon PC are in the process of purchasing another waste bin to place on Manor Lane near the Alpaca farm, a popular route for dog walkers and therefore a 'dog mess hotspot'.

Community Pub?

RED LION

At the Parish Council Meeting on Monday 9th it was suggested that the Red Lion pub was to be presented for 'Community Purchase' as it has been unsuccessfully on the market for some time.

The Baydon PC will be holding a meeting to discuss this possibility and the process and for people to express their interest in being part of this scheme.

Wednesday 1st February at 8pm in the BYPA

Here is a link providing more information on how Community Purchase works <https://www.pubisthehub.org.uk/community-ownership/>
