# Scene in Baydon

..a bi-monthly digest of what's going on in Baydon: February 2011

## We made it! Thank you!

Visit [www.baydon.org](http://www.baydon.org) for up-to-date village news, events, weather and features

Hello All

February was named after the Latin term *februum*, which means *purification*, via the purification ritual *Februa* held on February 15 in the old Roman calendar [Wikipedia again so beware my facts]. And 1st February is Ireland's St Brigid's Day - my saintly namesake. I can't say I can live up to her virtuousness - but I'll try harder! And then of course, we have St Valentine's Day on 14th and National Wear Red Day in aid of heart disease awareness.

The Scene Team are always on the look out for local stories, adverts and nuggets - please feel free to send anything you think might be of interest to those in Baydon. Either:

- email me at [brydgette@email.com](mailto:brydgette@email.com)
- pop any items through my door at 5 Manor Lane, or
- drop copy into Debbie at the Shop who will pass it onto me for inclusion. If Debbie's not there - drop it in the Baydon Scene bag

See you in April ready for Easter (which, according to my sources, falls in late April this year), Spring, cutting the grass and generally sorting out the garden. Just keeping my fingers crossed that we don't get too much snow in between times. Happy Valentine's Day.

All the very best

# The Completely Crackers Crossword!

Apologies for the mess up with the completely crackers Christmas Crossword. It didn't appear to put many off - we had oodles of entries - both correct and incorrect! Thanks to everyone who had a bash (if it helps, my husband didn't manage to complete it all and he reckons he understands my bizarre brain).

And the big winner is... wait for it... wait for it...

## Clergy letter...

Once we have got into the New Year, people begin to look ahead to the future. The prospects for this year do look rather gloomy; although success against the Australian cricket team in Australia does lift the spirits a little. Undoubtedly the economic and employment situation will be tough and many of us will be affected, either directly or through members of our families.

The Christian faith has a good deal to say about steadfastness and about hope. The pages of the Bible are littered with the cries of those who are displaced, facing economic hardship, political exile or family tragedy. What it reminds us is that, however difficult things are at present, these are often part of cycles. The writer of the book of Ecclesiastes (in words written 3,000 years ago) says: 'There is a time for everything, and a season for every activity under heaven: a time to be born and a time to die, a time to plant and a time to uproot, a time to kill and a time to heal, a time to tear down and a time to build, a time to weep and time to laugh, a time to mourn and a time to dance .... a time to tear and a time to mend, a time to be silent and a time to speak, a time to love and a time to hate, a time for war and a time for peace.'

The words of Ecclesiastes are bleak but not without hope. In the Christian faith we have a confidence in God's love for the world he created and for a personal care for each one of us. If he sees the fall of the sparrow, observes Jesus, how much more does God notice and care for those who place their trust in him.

Yours in faith

*Simon Weeden*

Team Rector

## MUSICAL EVENING

St Michael's Church, Aldbourne on 7 May 2011 at 7pm.

*to raise funds for the repair of Baydon church roof*

We have invited a professional singer - Alex Ashworth - who has sung in the last night of the proms in the Albert Hall 2010 to come with his partner to entertain us with a concert of mixed music - opera arias, songs from the shows and duets.

## Baydon School

# 'Built for the Future'

*Baydon St Nicholas School needed to raise around £50,000 to contribute towards the new improvements.*

### IN BAYDON - BY BAYDON - FOR BAYDON

Thank you to everyone who contributed to our fund raising, whether it was big or small.

Please see opposite an account of how we achieved our fantastic result and well within our time frame too.

Every contribution from carol singing to cupcake sale to small and to large donations has enabled us to reach our objective.

Many of you will have visited our School since the build was completed and you have been able to admire the magnificent result; larger brighter rooms equipped with up to date technology and an environment that will be of benefit to all.

The early winter frosts forced a delay in laying "The Path of Knowledge", our successful Brick Project, this will happen soon.

On behalf of the governors, staff and children we have a debt of gratitude to those who made it possible for us to establish a building for the future enabling the opportunity for educational excellence. First and foremost this is for the current and future School education but it is also there for the village community.

Special thanks to:

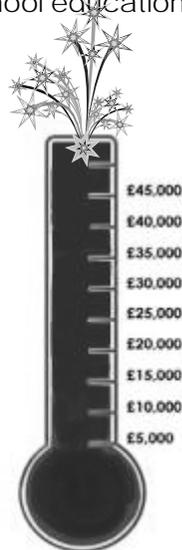

- Friends of Baydon School
- The staff and children
- Baydon Stores and P.O.
- The support of the parents
- The support of the villagers

And a hard working Fund Raising Committee and their helpers.

To all many, many thanks.

# Heads Up!

## Baydon St. Nicholas CE Primary School Report

May I take this opportunity to wish you all a very Happy New Year.

The lead up to Christmas was very exciting in school with our children performing excellent Christmas productions, enjoying watching a professional production of Jack and the Beanstalk in school, and having fun at the Christmas lunch and party, to which Father Christmas came.

Our new term has got off to a flying start with plans underway for our Years 5 and 6 children to enjoy a three day residential trip to Braeside Education & Conference Centre in February. Many of our KS1 children are participating in a 10 week swimming course at Marlborough leisure centre and our football and multi skills coaches will commence after school clubs starting at half term.

In class the children are enjoying looking at new topics including dinosaurs (Robins & Goldfinches), ponds, streams and life cycles (Kingfishers) and Home and Away comparisons (Eagles). We are also looking forward to celebrating Education Sunday on 6<sup>th</sup> February.

Yours with best wishes

The all new and sparkly..

In January 19 people met together and discussed the future of a Social Group. There were many suggestions regarding activities including outings, books evening walking Crafts, theatre trips, pub suppers, wine tasting, ten pin bowling and invited speakers, being just a few of the ideas brought forward.

It was decided that the group would meet every 2<sup>nd</sup> Thursday of the month usually in the Skylark Classroom of the School. The first meeting will be a cards & board games evening, where all are welcome to come along and join in the games or learn to play Bridge or Cribbage.

Membership is £12 per year and £1 per meeting attended or visitors welcome £3 per meeting.

Tea, coffee and biscuits are provided, but please feel free to bring along any other drinks you would prefer.

We are in the process of arranging future meetings but it is hoped that the programme for the year will include:-

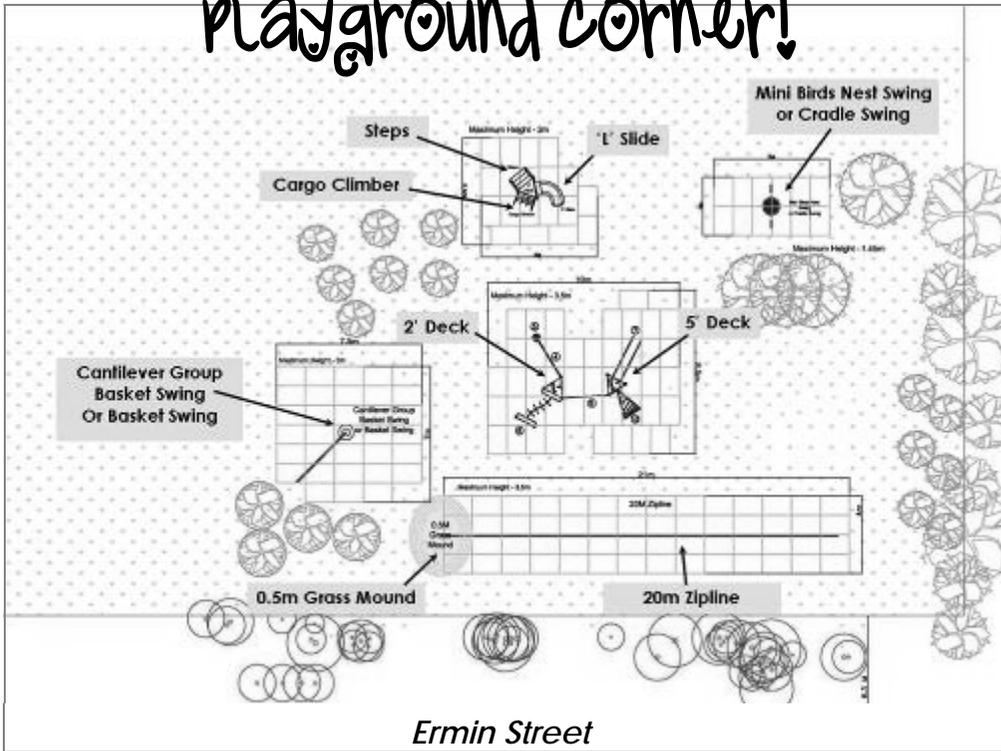

- Visit to Ramsbury Brewery followed by a pub supper
- Talk/ Demonstration by Ann Swan Botanical Artist
- Ten Pin Bowling
- Garden visit
- Wine tasting
- Strawberries & Wine event
- Crafts & chat evening
- Walking trip

If you would like to join in come along to one of the meetings, all are welcome. If you have any suggestions for events, or have any questions please contact Pat Rhodes on 540481 or [patricia-rhodes@sky.com](mailto:patricia-rhodes@sky.com)

To keep up to date with planned events please visit Baydon's website or look out for information on posters.

# Parish Council Corner Playground Corner!

Phase 1 – *Adventure Risk* ( 8-13 year olds) , zip line and basket swing.

Phase 2 – *Toddler Equipment*, mini tower and mini birds nest swing.

Phase 3 – *Junior equipment* , multi unit.

**Good News** - Baydon Parish Council is pleased to announce that they were successful in their bid for £10,000 from the Big Lottery Fund. This means that all three phases of the Playground are now funded!

Phases one and two have been ordered and should be installed by the beginning of March 2011. Phase three is also ordered and we expect installation to be shortly behind the other two phases.

Over 70% of the total cost, (£34,761 ex VAT) has been found through external grants which is a great achievement in the current economic climate.

Thanks go to all those people who have helped, in what ever way, to get us to this stage of the project.

Would you be able to volunteer some time to join a Baydon Community Speed Watch scheme (CSW). This would only need to take an hour or so of your time every few months

With the recent closure of the Wiltshire Safety Camera Partnership, Baydon no longer has the police speed camera van visits. However Wiltshire Police and Wiltshire Council are happy to introduce a Community Speed Watch scheme here in Baydon if a sufficient number of volunteers can be found in the village to join our Baydon CSW Team

- CSW is not about spying or snooping on neighbours, it is about taking positive action on the ground working in partnership with the police, helping to improve the safety and quality of life for everyone in the village of Baydon. See this website for further details :- <http://www.wiltshire.gov.uk/community-speedwatch.pdf>
- We have our Baydon primary school and will soon have a village play area both next to Ermin Street along which 78% of vehicles are going over 30mph (source - Wiltshire police metrocount Summer 2010). Fact:- 80% of children hit by a car travelling at 40mph will die, 80% of children hit by a car at 30mph will live
- Speeding traffic and road safety in the village was by far the biggest local concern and the main priority to address highlighted by the detailed Baydon Village Plan

If you are able to volunteer to join a Baydon Community Speed Watch team, please let us know by:-

- Returning this form to Debbie in the Baydon Village Stores after completing the following details : Name .....  
Address .....  
and Contact details (phone/e-mail) ..... or
- Sending your details via an e-mail to [CSW@baydon.org](mailto:CSW@baydon.org) or
- Registering your interest online on the Baydon website (ie [www.baydon.org](http://www.baydon.org) )

If you would like to discuss this further before volunteering using any of the above three methods, please contact Bryan Harber on Tel. 541267

## Bus to Newbury

*Did you know that there is a bus that runs from Baydon to Newbury every Thursday for Market Day?*

The bus is actually subsidised by West Berkshire County Council and will visit the "Sheffords" on route if requested. It also travels into Hungerford. It is unclear as to why it also comes to Baydon, but a simple phone call to **01635 582929** will ensure you a seat.

It leaves Baydon (end of Downsmead) at 10.20am and leaves Newbury at 1.40pm for the return journey.

It may not be as quick, or follow such a direct route, as in the car but it certainly beats finding a place to park – and of course it is free for those over sixty (providing you have your bus pass).

## Baydon Village Plan

If you're new to the village, pop into the shop for your personal copy of the Baydon Village Plan which outlines our plans for Baydon over the 5 yrs from 2009.

And welcome to Baydon!

During dry spells the situation became desperate for local people. Wells lost their levels and ponds and storage tanks petered out.

The village pump was sited by the roadside in front of the school; pumping and dipping were both laborious and unproductive at times. Four other wells supplied the village, by the grace of their owners. These were at East Leaze, Field Barn, Bailey Hill and Manor Farm - this last reputed to be very deep. There was also a very large storage tank sunk in a hollow beside the bridle track at Greenhill.

Water pump

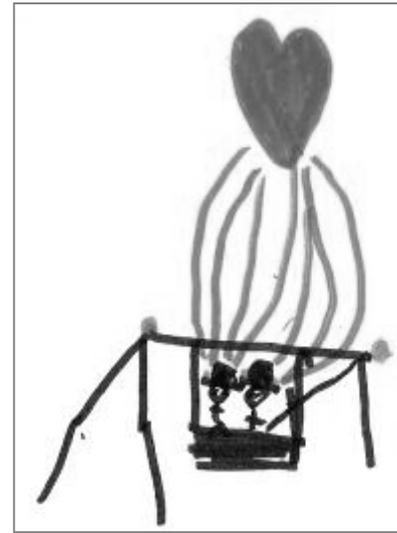

Every house and farm had tanks to catch the precious rain-water from roofs. St Nicholas' Church tower was even used as a catchment area. A pipe, leading down, ran under the Churchyard to a sunken tank, where the cattle trough is now. The villagers often referred to this as 'Holy-water', and some say that, despite the many interments, no digging has since uncovered the undisputed water-pipe.

Farm ponds, as long as supplies lasted, were used by humans as well as cattle. There were about twelve of these around the parish. One native resident recalls how his mother used to send him out to a pond to collect water. On many occasions he had to skim away the green slime before obtaining a meagre supply.

## And now for something really scrumptious!

Penny Stephens has supplied this very timely and romantic recipe to Scene this month. Thanks v much Penny - yummy! **If you have a recipe you'd like to share - send it to me at [brydgette@email.com](mailto:brydgette@email.com) or 5 Manor Lane, Baydon or to the shop.**

### Sweetheart Biccies

#### You'll need:

1 medium egg	2-3 drops vanilla extract
75g (3 oz) caster sugar	100g (4 oz) butter or marg
200g (7 oz) Plain Flour	Pinch salt
50g (2 oz) polenta or semolina	
<b>To decorate:</b> 250g (9 oz) Icing sugar	Pink food colouring

Makes about 30 and they can be frozen

#### Method

1. Position the oven shelves towards the top of the oven & pre-heat to 200 degrees (180 fan ovens - Gas mark 6). Lightly grease 2 baking trays
2. Beat the egg, vanilla and sugar together with a wooden spoon
3. Put the butter into another mixing bowl with 150g flour and salt. Beat with a wooden spoon until smooth and creamy. Gradually beat the egg and sugar mixture in. Add the rest of the flour and the polenta/semolina and mix to make a smooth dough
4. Turn out onto a lightly floured worktop and roll out until 5mm thick. Cut with heart shaped cutter and pop onto baking trays.
5. Bake for 16-18 mins until golden brown. Cool for a few mins on the trays then transfer to wire rack to cool
6. Make icing up with a little water and 1-2 drops of food colouring and decorate. Add sparkles and edible flowers etc!
7. Mooch up together and savour!

Several annual occasions were especially looked forward to. Baydon Fair was held every summer, in the field opposite the School, where the Council houses are now. It lasted a week and Messrs Edwards and Jennings provided the usual roundabouts, swing-boats, stalls etc.

*Dancing at the Fair*

Baydon Flower Show was held in Upper Barn Meadow. In addition to the normal activities of such functions, an evening sports programme was arranged - superintended by the redoubtable Fred Lawrence - and a welcome feature was the presence of the Aldbourne Band. Other diversions, dear to the hearts of those young and active enough to make the journeys, were the Marlborough Mops, Aldbourne Feasts and the fairs held in every town or village. Several villagers, happily still with us, remember walking long distances to enjoy the excitements of these occasions.

One other diversion of those days is of sufficient importance to merit mention: - poaching. There were rich 'pickings' of rabbits, hares and game for those who were daring, skilful and unscrupulous enough to make their secret forays. Cut logs were a temptation too. A story is told of a local farmer, suffering unduly from thefts from his log pile, determined to lay the thief, so he plugged a twelve-bore cartridge into one log and left it in an inviting position in the pile. The next week a suspected local poacher, who could never be caught in the act, had his fireplace shattered.

Not one of the main services that we take so much for granted today came to Baydon until well after the first World War. Gas came to the village in the 1920's; water and electricity in the 1930's; drainage in the late 1950's and street lighting in the 1960's.

By far the most important domestic problem was the supply of water. At an altitude of around 800 feet, and without a single water course the size of a large brook, Baydon was literally high and dry for varying periods of the year.

## BAYDON CIRCA 1900 - A SERIAL HISTORY

by the late R J NAISH JP

### Episode 7 - Pastimes and Essential Services

By popular demand, we're repeating the History of Baydon by Jack Naish which was serialised in Scene many moons ago. With oodles of thanks to Mo Lafford for collecting all of the editions together again.

Household chores, as has been noted, were very time consuming. Men had to patch shoes, cultivate gardens and rear pigs and poultry to eke out the family budget. With no mains services of water, gas, electricity or drainage available, women were tremendously hard worked. Washing, heating and lighting took much time. Water had to be collected from well or pump, wood collected from copse or hedgerow, and oil lamps needed trimming and filling every night. Sometimes dried cow-dung was collected for burning.

But Sundays, for the majority of families, were days of rest when, if you were respectable, you dressed in 'Sunday best' and sat sedately in the sitting-room - seldom used on any other day of the week - between Church services and Sunday School. The 'Sunday Companion' and similar publications were the only approved literature, apart from the Bible.

*Children playing marbles*

On weekdays, children played various games that have long since been discontinued. Many of these were simple diversions dependent upon home-made equipment such as rag balls, sticks and the like. 'Burn-ball', a kind of rounders, was played on the Village Green; 'Erki', a type of hide-and-seek included manipulations with a tin; 'Kiver' needed a tin in a circle marked out in the mud or dust in the road; 'Tip-cat' was played with a stick used to smite a small wooden bit, pointed at both ends, after the latter had been jumped into the air by a sharp tap. Marbles, hoop-bowling, hop-scotch, skittles and the usual make-believe games involving acting and dressing up were also played.

### Ankle deep in beer cans!

For several months now I have had to pick up beer cans that are scattered along Manor Lane, almost on a daily basis.

I have collected as many as 8 cans of various brands (plus the plastic holders) in one day.

Please can I ask that the person/persons responsible take their litter home and place them in the recycling bin?!

If I, and other responsible residents, stopped picking up these cans we would surely be "ankle deep" in beer cans before the end of the year.

Thank you in anticipation.

## Love Scene - A special Valentine Story

You thought that Scene was just a bi-monthly publication that gives you events and happenings, allows you to advertise your business locally and keeps you a bit up-to-date with what's going on in Baydon.

You'd be wrong. It's much more than that! Scene can start romances too.

Take Jo Wheeler and Dennis Simmons. Jo runs 'We Love Pets' looking after animals for a living here in Baydon and when she started advertising in Scene, she was the answer to Dennis' prayers (on more than one level it transpired).

He needed someone to look after his German Shepherd puppy, Ruby whilst he was busy controlling pests (this isn't a hobby - its what he does as a business) so in January 2009 he called her.

They started to walk their dogs together (Jo also has a German Shepherd called Megan who is eight) and Ruby and Megan and Jo and Dennis found firm friendships.

Megan & Ruby

In August 2009, Jo and Dennis' friendship blossomed and they became more than friends. And now they're planning to get married sometime in 2012 (if they can find time in their busy schedules).

Dennis & Jo

Jo (32) - originally from Reading - and Dennis (40) from Henley obviously love animals - Jo also has a cat named Monty who believes he's a dog. And Dennis has a trained Harris hawk which he uses in his pest control business.

They love to hike and walk the dogs, travel and experiment at cooking - sometimes with good results! But they have opposing tastes in music - Jo is a bit of a rock chick - preferring the Rolling Stones to Dennis' Rossini but when they marry or get more animals, they'll have to move to a larger house (they want to stay in Baydon) and perhaps they can have separate music rooms?

According to Jo, Dennis has a really tough exterior but cries at films like 'Love Actually', and can often be found cuddling the kitten and talking to him in a silly voice! And when they first got together, he planned a treasure hunt for her, the clues were all over Baydon (one was even at the post office) and it led to a prize of a lovely bracelet, Jo says, "it took a few hours and was very sweet!"

So, the lesson here is - this Valentine's Day, if you're lovelorn and lost, get out your Scene in Baydon and see what you can find. You never know, it could be the start of something special!
