The Queen's Diamond Jubilee 2012 Celebrations

At The Cricket Field, Baydon - Sunday 3rd June 2012

Visit www.baydon.org for up-to-date village news, events, weather and features

Hello All

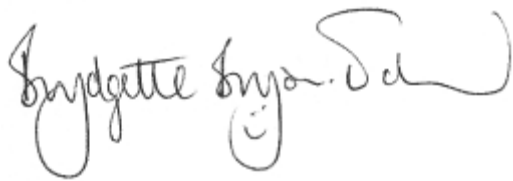

Summer. Thank goodness! Although I'm rather hoping the weather improves. And a lovely long weekend. Hoping to see everyone on the Cricket Field for a knees up. And I'd like to take this opportunity to thank (hugely) all of the Scene distributors for traipsing through the winter (and dire Spring) delivering Scene to all of Baydon. Thank you all - you're a bunch of stars in the firmament!

The Scene Team are always on the look out for local stories, adverts and nuggets - please feel free to send anything you think might be of interest to those in Baydon. Either:

- email me at brydgette@email.com
- pop any items through my door at 5 Manor Lane, or
- drop copy into Debbie at the Shop who will pass it onto me for inclusion. If Debbie's not there - drop it in the Baydon Scene bag

Here's to a long, hot summer with fewer bogs to dog walk in and all of my summer bulbs bursting forth and, of course, kicking off with a HUGE celebration on the Cricket Field!

All the very best

JUBILEE CELEBRATIONS

This month sees the culmination of months of planning in communities across the country; special services in church, lunches, flower displays, community events and much, much more. The Queen's Diamond Jubilee is an opportunity to give thanks for the Queen's service to this country over many years and it is a chance to celebrate all that is good about our community life in difficult times.

The idea of Jubilee is an ancient one. In Biblical times the Jubilee was a time for celebrating God's goodness and a time for making things right in the world and society. The Hebrew Jubilee (50 years) was a year in which the land rested – there was no planting or harvesting. It was a year in which property was returned to the original owner, indentured labourers were freed from obligation and Hebrew slaves were bought out of slavery by the community.

At a time when many – old and young – face uncertain futures, the idea of communities making things right and taking responsibility for social justice and fairness is a powerful one. May I wish you all a joyful (and thoughtful) Jubilee.

Best wishes

Church Roof - fund Raising

The Baydon St. Nicholas church roof is badly leaking and needs urgent repair. We're fundraising to stop the leaks!

Baydon St Nicholas Church 'The Smartie Challenge'

Thank you to everyone who has, and still does, contribute to this fund-raiser. I'm very glad to report that the total collected as at 17th May 2012 is a wonderful **£737.80**

The number of tubes being returned has slowed down now, but we have been encouraged to keep it going as several supporters have said they have 'got into saving their 20 p's' and no longer miss them!

So, we shall continue as long as people are willing to fill the Smartie tubes.

Tubes can be found in Church and in the Village shop.

Many, many thanks, *Margaret & David Hill*

Heads Up!

Baydon St. Nicholas CE Primary School Report

The Summer term is an extremely busy one in school. All our children have been on school trips. Our key stage one children had a fabulous time at the Cotswold Wildlife Park, when, although a little chilly, the sun shone. Our key stage two children experienced hands on science when they visited Intech Science Centre and Planetarium

To enhance their history learning experience, Kingfishers children visited Chedworth Roman Villa, where they enjoyed examining pottery, mosaics and bones and medicine making together with viewing the roman villa and baths.

In class the children are enjoying looking at new topics including "How Things Work", pirates and animals (Robins & Goldfinches), planets, space and life cycles (Kingfishers and Eagles).

The children are now busy preparing for the Queens Diamond Jubilee where they are looking at time lines for the last sixty years, the royal family and preparing for our red, white and blue themed school party afternoon.

We were delighted to host Bishop Nicholas's visit to the Deanery and look forward to him visiting us in school in the future.

We have Tesco Schools and Clubs Equipment and Sainsbury Active Kids voucher boxes in reception so please look out for them when you shop and bring them into school.

Yours with best wishes

Your local, reliable and professional service

We have had an interesting couple of months, thanks to Frances Parlane's efforts. Firstly the Bat evening in April, when Jan Freeborn came to speak to us. Unfortunately the bats did not want to cooperate and show themselves during the walk. However the group still enjoyed the evening.

In May, Marie-Nowelle Whitty came to tell us how the French eat and we tasted some of the typical French food, which had been cooked by our group members. A very enjoyable evening with 25 people attending including visitors from Hinton Parva.

For 14th June Tom and Joele McGowran are arranging a Ten Pin Bowling evening (with hamburger and fries included). Please contact them on 540784 if you wish to come along. If we have enough people the cost will be less per person (under £12 for the evening).

On the 12th July we are having another walk with Barbara Furber. This often proves to be a popular event and usually rounded off by a meal in a pub. Please contact Barbara on 540695 for information regarding the evening.

Or contact me for further information on the group and future events.

Hope to see new people and current members at these meetings.

BYPA Hall News →

The BYPA Committee have raised over £7,500 for the first stage of the refurbishment of the BYPA Hall. A combination of grants from the Marlborough Area Board (MAB), the Parish Council and BYPAs own funds mean that the windows and doors will all be replaced (hopefully over the Easter period).

This work marks the start of a redevelopment project that will see all of the facilities upgraded. We appreciate the support of the MAB and Parish Council in getting this project off the ground. If anyone would like to help with our fundraising efforts, call me on 540091 or email me at venice@marriottwebb.com – I'd be delighted to hear from you.

BAYDON'S TRAFFIC CALMING WORKING GROUP

The Big Update

Anyone wishing to express their concern about the speeding traffic in Baydon can log the issue directly with **Wiltshire Council** on their website:

https://forms.wiltshire.gov.uk/area_board/report_issue.php?area_board=Marlborough

1. Baydon Parish Council feel strongly that their top priority is to get a physical traffic calming measure installed in Ermin Street, near the playground at the eastern entrance of the village. Community Speedwatch results show that this is where the highest speeds are happening. Our intention is to slow all the traffic entering the village from the Lambourn direction therefore improving the situation throughout the village.

a. As a first step, Highways have suggested that they redesign the road markings between the white gates and the playground with the aim of making the road appear more narrow and making drivers use more caution when entering the village. Baydon Parish Council is pursuing this project and the necessary funding through CATG (Community Area Transport Group) and Marlborough Area Board.

b. Highways are also going to draw up some plans and costings for installing a traffic island in the middle of the road between the Eastern white gates. This is a much larger, more costly and longer term project as it will involve widening the road and landscaping etc. CATG (Community Area Transport Group) do not have enough funds, but could

assist us to apply to a central Wiltshire pot of money, if Baydon was prepared to contribute towards the project. Baydon Parish Council will consider this project when the plans and costings are available.

2. Baydon Parish Council has just formally agreed to participate in the "Reclaiming our Villages" project with the Parish Forum. This is a group of Wiltshire Villages getting together and using a specialist consultant to design traffic calming measures large and small – but all extremely clever, with the emphasis on being in keeping with the village surroundings and looking at the design speed of the our village roads rather than relying on the legal speed

BAYDON'S TRAFFIC CALMING WORKING GROUP

Continued....

3. Baydon Parish Council has formally requested to be in the 2nd group of villages to go through the process and therefore, this will project for Baydon will start in approx. 2013 /14

4. Baydon Parish Council requested that Baydon's C146 Road / Ermin Street is one of only two roads in the Marlborough area that can have a speed limit review this year. This request was very recently supported by CATG which is a very positive. (MAB should formally approve this in their May meeting) This means that Highways are able to consider moving the 30MPH limits further out or putting a 40MPH Zones in. For example, Baydon Parish Council want Highways to consider extending the 30MPH limit to include the Cricket Field entrance.

5. Baydon's Taking Action on School Journeys is on a list of projects from a variety of Wiltshire schools, recommended to be given the budget to go ahead. Dick Tong (Cabinet Member) is due to make the final decision shortly. This project is mainly focused on improving the Aldbourne/ Ermin Street Junction, widening the pavement near the school and providing better crossing points for the children.

6. Baydon continues to be on the rota for the Speed Indicator Device that stays in the village for a fortnight at a time and flashes up the speed that the drivers are doing.

7. Community Speedwatch continues to operate approx once a week and have recorded and reported to the police, cars doing speeds up to 75MPH!

8. We have just received metrocount results from Wiltshire Road Safety Team that measured the speeds of cars for one week in April. Results show that average (85th percentile) speeds of free flowing traffic is **44MPH on Ermin Street**. This is the same statistic as two years ago, but Baydon should be reasonably pleased that our speed results haven't increased in the same way as the majority of other villages have done. This must be at least partly due to Baydon's traffic calming efforts.

Anyone interested in participating in Baydon's traffic calming efforts, can contact Tamsin Witt on 01672 540742 or tamsin.witt@vodafone.com.

Thames Water - Drought

As you must know, we are under a Thames Water Temporary Use Ban (hosepipe ban). For information about exactly what that means and for tips and water saving freebies, go to: <http://www.thameswater.co.uk/waterwisely/index.htm#!/about.htm>

Other water saving ideas gleaned from villagers: :air launder clothes, share a flush, (and a bath), use laundry balls to save rinse water in the washing machine and dishwasher - available online (i.e. Lakeland Plastics), don't leave tap water running when cleaning teeth, collect pre-shower water to flush the loo, install more water butts for watering the garden, use pre-washing up water for watering plants, and so on.

It looks unlikely that, even if there were more rain as we've had recently, Thames Water will lift the ban so get those water butts plumbed in!

Marlborough Open Studios

This year, the lucky people of Baydon have two artists taking part in the Marlborough Open Studios scheme, who are Sue Lashmar and Kareen Jackson McGowran, who is also sharing her studio with fellow student Jemma Gunning.

Sue produces contemporary, original glassware and jewellery in beautiful colours, whilst Kareen and Jemma paint, inspired by the local landscape.

Both studios will be open the weekends of 23/24 June, 30/1, 7/8 and 14/15 July, 11-5pm

You'll get a warm welcome, probably realise we have too much to say about art, but still, it keeps us off street corners! We're here to delight and inspire (gosh who wrote this?! Please come along and support us!

Bus to Newbury - No Need to Book!

Did you know that there is a bus that runs from Baydon to Newbury at 10.30 am every Thursday for Market Day?

It is now a regular service so no need to book

The bus will leave Baydon (bus stop on Aldbourne Road) at around 10.30 am and take a slightly different route to Newbury.

It leaves Newbury at 1.30 pm for the return journey.

It may not be as quick, or follow such a direct route, as in the car but it certainly beats finding a place to park – and of course it is free for those over sixty (providing you have your bus pass).
