Email: baydonscene@email.com Or leave in the bag with Debbie at the shop

Hello All...

Thanks to Mike Mears for the cover photo of the Baydon Beacon lit on the Queens birthday.

It is fete-time in the village again. Let's hope for good weather and a great turn out. See the centre pages for things you can donate - bric-a-brac, plants, cakes etc

The village has recently lost a life long resident, Dorothy Newman. Obituary inside.

Since the last Scene *Muttley* has....

Attempted, unsuccessfully, to get a job behind the bar at the Red Lion. Whilst having a post-ride drink with the Baydon Flyers one Thursday evening, he took advantage of a dropped lead and headed off to see what life is like behind the bar. He decided it was not the job for him after failing to locate the pork scratchings.....

URGENT St Nicholas Church essential repairs –

Thank you to everyone who has made donations already, they are making a big difference and we have now done the Electrical circuit test and the Lightning conductor repairs. Also, we now have sufficient funds for the Vestry roof and wall repointing which will be done shortly.

Our next job is to clean, strip, patch the lime wash inside the building. We have received an estimate of £6,000 for this job and we do not have the funds for this.

It would be lovely if you would consider becoming a Steward of St Nicholas church and commit to making a regular donation by standing order of perhaps £10 per month, but £5, £3 or £2 would really help too. And if you could gift aid it, your donation would increase by 25%.

If you would like to donate towards these repairs or set up a standing order, please get in touch: Rowan at Church@baydon.org or the Church Wardens: Margaret Hill 540789 and Mike Ball 540117 or any other church member you know.

From the Minister...

During this month we have the chance to vote in the referendum on Europe. So far the majority of people with whom I have spoken seem undecided – and that goes right across the age ranges. I am not surprised. The issues are far from straightforward.

Some of the information supplied by both camps is frankly contradictory. There has also been a good deal of scaremongering from both sides of the debate.

How do we decide? It is easy to be swayed by fear because of the vast population movements across Europe, or to be driven by a desire to make a stronger richer Britain. But there are other motives that should concern Christian people. Christians are called to be peace-makers and to share all they have with those in need. How should this impact our thinking about Europe? There are no easy answers, and you will find Christian folk on both sides of the debate.

There are many places in our world where democratic freedom does not exist. There are also places where the freedom to vote exists, but is dangerous to exercise. We are blessed by having no such barriers. For this reason I hope that the turnout for the referendum is high despite the difficulty of coming to grips with the issues. This is perhaps the biggest political decision of our lifetime.

At this time, all Christian people need God's wisdom and guidance. May God help you as you grapple with the issues and cast your vote.

Carers Week 6th-12th June

Caring is part of being human and at the heart of family life. As our population ages and people live longer, often with complex health conditions, more and more of us will find ourselves caring with 3 in 5 of us becoming carers at some point in our lives.

A carer is anyone who cares, unpaid, for a family member or friend who cannot manage without their support. They might look after someone with a physical disability, long term health condition, mental health issue or a problem with substance misuse.

Many people don't identify themselves as carers, they feel they are just doing what anyone else would so they don't always know what support is available to them.

Carer Support Wiltshire is a local charity supporting carers in Wiltshire. They help them access support, services, education and training, and breaks from their caring role. As part of **Carers Week (6th-12th June)** they will be celebrating the contribution unpaid carers make families and communities in Wiltshire with their **Walk a Mile in My Shoes** sponsored walk. Walkers are encouraged to decorate their trainers or swap shoes with a relative or friend to show their support for carers. The walk will take place at John Coles Park in Chippenham. You can find out more at www.carersinwiltshire.co.uk or telephone 01380 871690.

Heads Up!

Term Six is an extremely busy one in school with plans under way for Money Week, Musical Week and Sports Week.

Elite Sports have been coaching us in a number of team sports including basketball, rounders and cricket. We have also worked with Swindon Town Football Club, PK Tennis and Fitness for Fun during after school clubs. We are also very excited about planning our stalls for the Church and School Fete on 11th June. Any donations of good quality bric-a-brac, books, toys etc are very welcome.

We have welcomed to school Mrs Blackwell and Mrs Wigglesworth who are covering Miss Hayhoe's maternity leave. Both teachers bring with them a wealth of experience gained through many years of teaching.

In school our Year 2 and Year 6 children have undertaken their SATS. Whilst the whole school have been looking at the present Royal Family and past Kings and Queens.

We will be welcoming our new Reception children to school for their induction mornings in June and saying a fond farewell to our Year 6 students at the end of term in July.

Celebrating the Queens 90th Birthday

On the evening of the Queen's 90th birthday a chain of over 900 beacons were lit across the country in celebration. Villagers gathered on the cricket field to watch the Baydon Beacon being lit and to celebrate together. Here are a few pictures of the evening from Mike Mears

Parish Council Corner

A personal note from the new Chairman / Chairwoman! – Tamsin W

As many people will already know, Andy Knowles resigned as Chairman of Baydon Parish Council in May, due to his family's move to Marlborough. Baydon PC would like to thank Andy for all his hard work and great leadership and we wish him all the best in Marlborough (I think he's going to miss Baydon!)

After some consideration, some very supportive comments from residents (and some persuasion!), I decided to put myself forward for the Chairman role following 8 + years as a Cllr. I'm likely to have a different style to my gentlemen predecessors, but I hope to lead the team through our workload just as well. For those who don't know, we also have a relatively new Cllr Charlotte Booth and a brand new Cllr, Amy Bryan so a very warm welcome to the. Now in the role as Chair, Baydon's Village Plan 2009 will continue to be my guide, because a households in the village were given a questionnaire and results clearly showed that the to priorities for the village were:

- ♦ Address road safety, speeding traffic and bad parking
- ♦ Build a play area and/ or all weather surface in the village
- ♦ Improve the BYPA Hall or build a new village hall
- ♦ Support the local facilities so we don't lose them – the shop and the Post Office, pub, church and school

I look forward to the challenge and I ask for everyone's support in making Baydon an even better place for us all to live!

Playground Update

It's very exciting to report that some new equipment was installed in our existing playground April. Baydon PC have added:

- ♦ Traditional toddler swing
- ♦ Traditional junior swing
- ♦ Roundabout
- ♦ See-saw

Feedback from Baydon parents and children is that they absolutely love it and are making very good use of it! The play items were mostly paid for with the remaining \$106 money allocated to Baydon by the developers of the Newton's Walk. The project was managed by Baydon PC.

Litter Picking Update

On Saturday 23 April, Baydon PC arranged another litter pick and were jolly pleased when some lovely volunteers arrived to help!

Again, we collected a staggering amount of litter from around the village, including 5 black sacks from Aldbourne Road alone - which makes me think two things: Who is dropping all this litter??? And what would Baydon look like, if we didn't have a regular litter pick??!

Anyway, please consider giving up an hour of your time for the next litter pick – I assure you that it's strangely satisfying to do!

The Village Green

It was brought to our attention recently that the village green was in need of a bit of TLC. In fact, the wooden bench opposite the pub was falling apart and the box trees were looking very scruffy. I'm happy to report that the bench has now been replaced and trimming of the box tree hedging has been added as an annual task to the village grass cutting contract. Therefore the green should be in a good state to host the next village event.

Map of Baydon Footpaths

We have recently organised for a clear map of Baydon's footpaths to be produced, plus installed a new display notice board outside the shop to house the map and PC documents. Please take a look and if the map inspires or intrigues you, take a stroll!

Traffic Calming in Baydon

Speeding has been a big issue, for a very long time in Baydon and the PC has been working over many years to introduce measures to try and combat the problem.

Speed Indicator Device

Baydon PC's latest attempt to reduce traffic speed is the **Speed Indicator Device (SID)**, which displays the speed of passing cars, with the aim of making drivers more aware of what they are doing. There is evidence to show that the effectiveness of the SID reduces after approximately two weeks, but we are now in the great position of having a SID, solely for our use in Baydon, so we will be able to move it to various locations around the village on a regular basis. SIDs are normally very expensive, but Wiltshire Council have decommissioned all of theirs and Baydon PC was quick to request one. There will be a slight delay whilst a Cllr goes on a training course and learns all the rules and regulations of exactly where it can be displayed, but watch this space...

Chicanes

Statistics have shown that the chicanes installed in 2014, near the playground have reduced the average speed of traffic and are helping residents to cross the road more safely to get to the playground and allotments. However, they are just the first phase of the traffic calming project and more obstacles are needed along Ermin Street to reduce speeds to an acceptable level. Please see separate notice on this topic. If you'd like more information and to express your opinion, please attend the next Parish Council meeting on Monday 4 Jul

So, in summary, a lot has been achieved already. However, there's still plenty to do! Thank you for reading this,

Tamsin W

Traffic calming in Baydon

The chicanes installed on Ermin Street in 2014 near the playground, have proved to be successful, reducing what was the highest speeds in the village, from an 85th percentile* of 44.3mph to the lower figure of 39.8mph. However, these chicanes will be even more effective in conjunction with additional traffic calming measures.

Since 2013, Baydon Parish Council has been planning for the next phase of traffic calming and considering further obstacles for Ermin Street, with road safety outside the school being the highest priority.

After consultation with Wiltshire Highways, a draft proposal has been designed, which will slow traffic approaching the primary school from both directions. A single obstacle near the Ermin Close entrance is proposed, which means that westbound traffic would need to give way. Another single obstacle, near the flashing 30mph sign at the western end of Ermin Street, would mean that eastbound cars must give way. These obstacles would be similar to those at Wanborough and Shrivenham.

Baydon Parish Council have agreed to contribute £6,000 towards the £18,000 cost, have already secured £3,000 from CATG** and have been awarded £9,000 central government funding. Work is scheduled to commence in October 2016, but likely to be delayed.

Our existing chicanes near the playground cost £31,000, of which Baydon Parish Council contributed £3,000, with the remainder being paid for by a very generous donation of £3,000 from a local resident, £3,000 from CATG and £22,000 from central government funding.*** Therefore, of the £49,000 costs of the traffic calming project as a whole, Baydon Parish Council will have contributed £9,000.

Update: The proposed buildouts will be on the agenda again, at the Parish Council Meeting on Monday 4 July. During this meeting we will provide information on the traffic calming plans and give residents an opportunity to give their feedback.

Further information can be found on www.baydon.org, on the Parish Council notice board outside the shop and of course, future Parish Council meetings

***The cost of the chicanes near the playground were higher because there was no existing power supply for the lighting

Baby and Toddler Group

Baydon baby and toddler group is a lovely, friendly group held in the BYPA hall on Mondays during term time from 9am to 11am, and welcome any adult who accompanies a child or children aged from 0 years to school age. There are lots of lovely toys to play with and a garden to use when the weather is nice enough. We also have a craft activity every week. There is a hot drink for the adults when you arrive and snack time for the little ones is around 10am. We end the session with a song time where all the children can choose their favourite nursery rhyme to sing. Everyone is very welcome to join us and it would be great to see any new families who would like to come along. For further details please contact Ali Jones on 01672 540608 or e-mail toddlers@baydon.org

An informal cycle club in Baydon

This is what we do:

- A ride of about 20 –25 miles, every Thursday evening.
- Mostly on quieter local roads with a different ride every week.
- Shorter versions possible if 20 miles is too much!
- Ad hoc rides and events organised at other times.
- A really great social way to get and stay fit.
- We keep together so no-one's left behind and offer mechanical support if you need it.
- We go whatever the weather.
- We all meet after the ride for drinks in the Red Lion.
- Lots of free cycling advice and help.
- Gents and Ladies over 18 welcome.

Every Thursday departing the Red Lion 6.30 pm

returning about 8.30– 9.00pm. You will need lights for the last bit of the ride.

Obituary: Dorothy Jean Newman

The funeral of Dorothy Jean Newman was held in St Nicholas Church Baydon on Saturday 21st May 2016.

Dorothy had lived nearby the church all her married life, she was born, went to school, married and lived her 90 years in the village until she died in April this year.

The service was conducted by the Rev. Simon Weedon, the scriptures were read by Messrs Ball and Newman, the organist was Francis Lofthouse.

Robert Miles, Dorothy's nephew gave a brief history of Dorothy's life from, he said, jottings that she had written on scraps of paper over the past year.

Dorothy was born in 1925 the youngest of four children, after a 14 year gap, so the rest were all out to work by the time she was born. At 14 years of age Dorothy worked in the village shop and later became their milk delivery maid and entrusted with a bicycle. Having never learned to ride a bike, she pushed it everywhere on the delivery.

At 27 years of age she went into domestic service at Russley until her marriage to George in 1956.

As a child she was taught by the vicar's wife to play the organ which she continued faithfully to play at St Nicholas Church for 75 years,

Dorothy knew about commitment, said Robert Miles. She was a member of the WI for 75 years, sold Poppies for 50 years and was married to George for 51 years.

She had a passion for the church and would be cleaning, serving its needs when she wasn't at home.

Her last few months were spent at the Aldbourne Nursing Home where everyone treated her like family calling her Aunt Dorothy.

Rev Weedon said that Dorothy had a long and contented life. Her faith was very important to her and she knew true contentment "what will be, will be".

Dorothy was laid to rest in the church graveyard with her husband George.

The packed church's congregation then joined the family in the School Hall for refreshments and journeys down "memory lane".

Donations were requested for Ramsbury Surgery.

Reasons to Stay Alive - Matt Haig

This is an open, frank, hopeful book about what it feels like to be attacked by depression, and ways of managing and even getting the better of it. One afternoon, without warning, Matt Haig was plunged into anxiety and depression. His account of his journey through it and out the other side, the experience of living with the joys of the highs and the crushing, all-consuming pain of the lows – his ongoing daily encounter with life – includes observations of what helps him to feel better (from exercise, reading and focusing on others, to foods) and what doesn't; the range of other people's reactions, and where to get professional help, if needed. There is no psycho-babble, no pull-yourself-together – this is Haig's heartfelt, personal account, tinged with humour here and there, and written with positivity. The insight and hope are all the more inspiring, for having been lived out. Little victories become bigger victories; experience turns into strategies for dealing with life day to day. No matter how big the depression might feel, it is not as big as you, and you are never alone. I value this little gem. I recommend it to anyone and everyone, whether or not we know someone who has suffered depression, or we've struggled with it ourselves. It has helped me understand a little bit, however small that little bit is, of what depression can be like, and so, hopefully, helped me be a better friend, should anyone I know be going through something like this.

Tamzin grew up in Baydon and comes back from time to time to visit her Dad. After some gadding about, she currently lives in the beautiful north east of England, working for a start-up exploiting a new X-ray imaging technique.

Dog Mess

All dog owners are responsible for their own dog's mess. It should never be left where others can tread in it, nor on areas of land that are mown (for example by the Alpaca farm).

Here are words from Wiltshire Council's web-site:

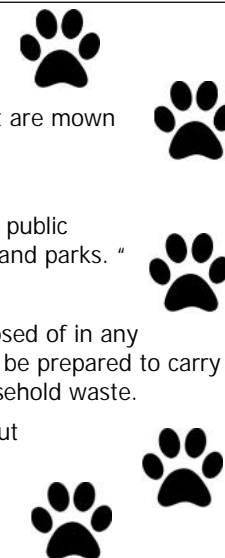

"Dog owners must, by law, pick up any mess made by their pets in public places such as roads, footpaths, school playing fields, sports fields and parks. "

What if there is not a bin near when my dog messes?

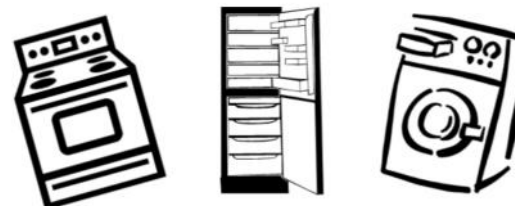

Dog waste suitably wrapped in a plastic bag or similar can be disposed of in any litterbin or dog waste bin. If none are available nearby, you should be prepared to carry the waste home where it can be disposed of with your normal household waste.

Please enjoy walking with your dog in our beautiful country-side, but
