A muddy Autumn dog walk in the village

Hello All

We've had a lovely summer weather-wise, but Autumn does finally seem to be upon us. Despite some lovely weather I've had a very disappointing crop of vegetables in the garden this year. I hope our village allotmenters fared better?

Before we know it, it will be the village firework display.

Jo Cooling

Since the last *Scene Muttley* has...

.. Been to his dog-sitter whilst we were on holiday in August. Reported food crimes were:

- ♦ Found his large bag of dog food and started eating it from the bottom up. Food came home in a different bag
- ♦ 3 sherbet dib-dabs - lolly, stick, sherbet, packets and all. Imagine all that sherbet in his beard!
- ♦ On the morning of his return, he ate 4 packets of Dentastix provided by another owner for their dog (for non dog owners, these are dental dog chews sold in packets of 3). He ate all 4 packets (12 chews) including the packaging, very quickly in one sitting before he could get caught. Not sure if it was the volume of Dentastix or the speed with which he ate them, but result was a rather gaseous rear end, but very clean teeth....

St Nicholas Church repairs – update

This bit always feels like there is an endless list of jobs to be done, but actually we should look at it from the other end....there is an endless list of jobs that have BEEN done and the building is still standing, looking beautiful and a peaceful place to be after 900 years. That is pretty incredible and we have many generations to thank as well as thanking Baydon's community now. Thank you all.

We have just had a Quinquennial report (done every 5 years by an architect) and the roof repairs have been successful which is wonderful too, thank you again to all who donated time and money to make this possible. A new list of repairs has appeared though so we still need your support.

It would be lovely if you would consider becoming a Steward of St Nicholas church and commit to making a regular donation by standing order of perhaps £10 per month, but £5, £3 or £2 would really help too. And, if you are in a position to Gift aid it, your donation would increase by 25%. If you would like to donate towards these repairs or set up a standing order, please get in touch: Rowan at Church@baydon.org or the Church Wardens: Margaret Hill 540789 and Mike Ball 540117 or any other church member you know.

From the Minister...

By the time you read this, every letterbox in the village should have played host to a card introducing our new "Community Contacts".

In times gone by, people knew everyone in their street (or even in their whole village) and probably knew quite a lot about their business too! Whether you think that was a good thing or not, it did mean that newcomers were spotted and made to feel part of the community, and, if anyone had a problem, people would know about it quite quickly. Times have changed and it is much easier now for people to come and go, or to live with problems, without anyone else noticing.

In the spirit of "good neighbourliness" the church in the village has set up a system to make sure that at the very least people are made to feel welcome when they first arrive, and that someone is aware if they need support. In many cases, this is simply formalising what already happens in a friendly village such as this – but it also makes the important point that St Nicholas church exists to serve the community in whatever way it can.

So each "Community Contact" will keep an eye on about a dozen houses in the area where they live. They will welcome newcomers with a "Welcome Pack", look out for anyone in need of help or support and act as a communication channel between church and village.

In this way, we hope that the already strong links within the village will be reinforced, as the church tries to live out its task of caring for the world in God's name.

With love

Heads Up!

It gives me great pleasure to introduce myself as the new Headteacher at Baydon St Nicholas. I am most excited by the challenge of leading this wonderful school to the next phase of its development and working with the excellent team which is already in place. I am also much looking forward to meeting and getting to know the Baydon community over the coming months. If you already know the school, please do feel free to drop in and introduce yourself. If not, we would love to see you and I'd be delighted to show you around.

The children have started the year enjoying their new classes and we give a very warm welcome to the youngest children who started their school life this term as well as a number of other children who have joined us further up the school. We do hope that they will be very happy with us.

We have started the term enjoying our topic: All Around Us and the children will be able to be seen out and about in Baydon studying the local environment. Some of the younger children have also been enjoying learning all about themselves at their 'Health Centre' as well as painting self-portraits.

At the start of each school year, we appoint our School Council as well as our House Captains and congratulate all those who were successful. The School Council are now looking forward to a trip to Westminster Abbey and a tour of the Houses of Parliament. I do hope that many of you will be able to join us for our lunch for the older members of our community as part of our Harvest celebrations.

'Angels'**

A Lifebuilder bible study with Douglas Connelly

In the unseen realms of the universe, powerful and wonderful beings move at the speed of light to carry out their Master's will. They are involved in the complex political affairs of the nations and in the smallest concerns of children. They guard, protect, watch over – and engage in cosmic battles of which we are completely unaware. Yet angels are the subject of much misinformation. This fascinating study guide helps us to discover the truth as revealed by the bible. *(Scripture Union)*

A trip down memory Lane with Clifford Coles

The Scene has always from time to time delved into the history of the village. I tho it would be good to chat about how the village used to be with one of its oldest residents, Clifford Coles.

Cliff moved to Baydon when he married village resident Diana Hunt of Westfields 62 years ago. Cliff met Diana 5 years earlier at a dance in Aldbourne Memorial Hall. Cliff and Di were married in Baydon Church and had their reception in the village sch squeezing 80 people into what was then a 2 room building. After renting in the villa for a short-time, they moved into Tubbs Farm House, where Cliff still lives. Di sa passed away 9 years ago.

Cliff and I discussed what amenities there used to be in the village. At one time the were 3 shops. On the main road by the school there was a children's sweet shop (last cottage before the road to Russley Park), on The Aldbourne Road was the Post Ol (now a house called Choules Acre) and a shop were the current Baydon Stores are. On the Adbourne road there was a butchers. This is now a house called Pine Cottag have since spoken with the current owners of Pine Cottag - the Howell family - who tell me they still have artefacts in the house frc the butchers shop).

Baydon was served by 2 pubs at one tim
The second pub being the Plough, a building which is now a house on Ermin Street.

Next door to the Plough was a Methodist chapel (now also a house). This was one of 2 Methodist Chapels in Baydon. The other was on the Aldbourne Road and was built by the Barnes' of Aldbourne (as in Barnes Coaches). This is also now a house.

There was a Blacksmiths in Baydon, now a house on Ermin Street called the Forge.

Cliff remembers before Ermin Close was built (built in the early 1960's). Part of the land that is now Ermin Close was once a Poultry farm. A large patch of land that is now part of Downsmead, once belonged to the Red Lion.

I asked Cliff about what he remembered being next to Choules Acre – now two houses – as I had heard there was a Church there, or certainly graves. He remembers it being a hall called the Woollen Room, although by the time he moved to Baydon the hall Social gatherings was a nissan hut erected after the War on the site of the cur BYPA.

Cliff was a carpet fitter/estimator his whole working life. He was on the Church Cou for 25 years, and used to help out at the school, assisting with swimming, reading & with the late Stan Titcombe of Baydon performed years of cycling proficiency training.

Cliff has taken the entry money on the gate of the village fete for over 50 years. The fete was originally held in the grounds of the Old Vicarage on Finches lane.

Finally, I asked Cliff what has generally changed about the village. He replied there is some good and some bad. He rates as bad the fact that everyone used to say hello in the village and he feels this has changed. I asked him what was good and with a wry smile he said "Well I'm still here"

Baydon Bash Golf Society has had another successfully weekend tournament. This year it was held at Staverton Park, Nr Daventry and consisted of 3 rounds of golf, Friday, Saturday and Sunday with overnight stays on Friday and Saturday.

We departed Baydon at 8.00 on Friday and after hearty breakfast stop at "Reg's Café" Banbury on the way up, we arrived at Staverton Park. The weather was a bit damp for the first 6 holes and everyone's wet weather gear got a good test. Standard stapleford scoring was done on the first day.

Saturday we travelled 4 miles west to Hellidon Lakes, where we played the Valley 9 holes and Hellidon 9 holes, before heading back to Staverton Park. To add a bit more interest to the scoring, here we decided to award double points for the par 3's.

Sunday was another round at Staverton, where double stapleford points were awarded to stroke index holes 1-4. After the round we all met back at the Red Lion Baydon for the prize giving.

Results below

- 🏆 Overall Winner – Andrew Head, Second – Tom Head, Third – Alistair Menzies
- 🏆 Longest Drive – Tom Head
- 🏆 Nearest the pin – Andrew Head
- 🏆 Most improved – Gordon Buckingham
- 🏆 Player who got the most for their money – Jim Grove.

A series of fines were imposed by the committee over the weekend, for lost balls, smoking on the course, course anger, etc and £150 was raised for "Joss Searchlight" charity.

Traffic Calming update

During the Parish Council Meeting on Mon 12 September, the Independent Saf report and Wiltshire Highways engineer's response regarding the proposed traffic calming buildouts were discussed.

Councillors agreed to go ahead as planned with the buildout on Ermin Street, near to the Ermin Close junct

Regarding the buildout proposed for the western end of Ermin Street, (near the flashing 30mph & school signs), Cllrs agreed to go back to the Community Area Transport Group (CATG) and ask them to restate why the 30mph limit can't be moved further out of the village towards the cricket field. Cllrs also agreed to ask whether the buildout design / location could be amended, to alleviate some of the concerns of immediate neighbours.

As always, agendas, minutes and additional documents can be found on the Parish Council Noticeboard outside Baydon Post Office and Stores and www.baydon.org.

Community First Responders

My name is Luke Prout, i just wanted to share a little information on Community First Respon

Community First Responding is a voluntary role assisting the Ambulance Service, attending emergency situations in our local area. Equipp with thorough training and all the first aid kit you could dream of, we get to the patient before t ambulance, giving vital care where time really ca mean everything.

Whilst we have an absolutely fantastic ambulanc service, due to us living a little while out of to our response times are longer than others. This where first responders can really make all the difference.

And don't worry, whilst the training is a lot to take in initially, the actual work volunteer in our area is not that demanding.

After your training, you receive uniform, a full emergency first aid supply and assigned your own call sign on our pager, which you use to sign on with the ambulance control office. After that all you do is keep it within hearing distan -case you are messaged with details of someone in need.

Luckily, being a small village it's really not that busy. But what's really important is that we have a responder on call as often as possible, just so that when the time com when one of us is really needed, we are ready to go.

We are currently looking for people to become Community First Responders in Baydon and the surrounding area. Whether you are an aspiring nurse or paramedic, or simply just want to do your part for your community, first responding is an exciting invaluable opportunity.

For any and all questions contact me lukeprout.uk@gmail.com for further details.

PROSPECT HOSPICE BOX INFORMATION

The Prospect boxes are now due to be emptied, a I would be grateful if you would either take them to Debbie in the Baydon shop or bring them to me at 10, Fiveways, as soon as possible, so I can send the money off to Prospect by the end of October.

Dog Mess

All dog owners are responsible for their own dog's mess. It should never be left where others can tread in it, nor on areas of land that are mown (for example by the Alpaca farm).

Here are words from Wiltshire Council's web-site:

"Dog owners must, by law, pick up any mess made by their pets in public places such as roads, footpaths, school playing fields, sports fields and parks."

What if there is not a bin near when my dog messes?

Dog waste suitably wrapped in a plastic bag or similar can be disposed of in any litterbin or dog waste bin. If none are available nearby, you should be prepared to carry the waste home where it can be disposed of with your normal household waste.
