...a bi-monthly digest of what's going on in Baydon: **October 10**

Grand Opening of the new school building. 2 October 2010

Visit [www.baydon.org](http://www.baydon.org) for up-to-date village news, events, weather and features

Hello All

I was terribly sad to hear about the dreadful, dreadful accident where we lost one of our teaching assistants. Our thoughts go out to her family and friends and to those at the school and in the village who knew her.

For the first time I physically haven't been able to squeeze everything in this month. I've only left things out that weren't time sensitive or can go in the next edition. May have to have a rethink. And I've had to cut some bits too. If you're able to send less than 250 words - that would be great!

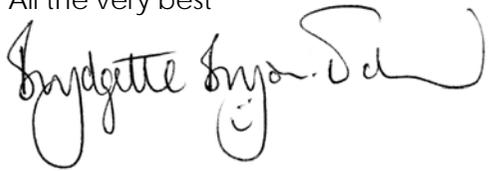

On a lighter note, don't forget the wonderful firework party again this year. The past couple of years have been - honestly - spectacular. Not to be missed.

The Scene Team are always on the look out for local stories, adverts and nuggets - please feel free to send anything you think might be of interest to those in Baydon. Either:

- email me at [brydgette@email.com](mailto:brydgette@email.com)
- pop any items through my door at 5 Manor Lane, or
- drop copy into Debbie at the Shop who will pass it onto me for inclusion. If Debbie's not there - drop it in the Baydon Scene bag

See you in December for the Christmas Edition. Yes - it's that time again! Have you stocked up on salt and shovels?! No? I haven't either. Might live to regret that.....

All the very best

## Clergy letter...

Dear All

*'Season of mists and mellow fruitfulness' Keats.*

Despite the severe winter, prolonged snowfall and ice, this year has produced a bumper crop of fruit. My apple tree, which has been fruitless for years, has been laden. I also had a wonderful crop of loganberries, strawberries, blackberries and rhubarb – the best in years!

Judging from the wheelbarrows I've seen returning from the allotments I'm not alone. I love seeing these wheelbarrows because the people wheeling them aren't just benefitting from what they grow. They've become a community of friends with a fulfilling purpose in life.

If we read John's gospel in the bible, we find that Jesus is telling us to 'go and bear fruit – fruit that will last'. Just how are we to do that? In the very next verse it tells us where to begin. Jesus says, "This is my command: Love each other".

It isn't always easy to love each other. We're all human and fall into all kinds of regrettable situations where we find it hard to love ourselves, never mind loving others. However we all have the power of will and, with determination, it's surprising what we can do especially if we pray for help on the way.

If we want our lives to be fruitful, it might be good to look at the fruit around us. First of all we have to plant seeds. They won't all grow but with a little watering and care the shoots will begin to flourish. Giving care and offering friendship is a bit like that. Sometimes we have to be prepared to spend a little money to improve the soil or add a little fertiliser to quicken the process. That's a bit like our charitable giving. If everyone gave a few pounds we would halve the devastation of tragedies in no time. And so on.

But in all this let us thank God for all the fruit we enjoy in our lives. How blessed we are to live in such a lovely place surrounded by good things and good people.

I wish you all a happy season of mists and mellow fruitfulness.

God bless you all.

**Revd Ann Massey**

**All Souls Service of Remembrance & Thanksgiving  
at Holy Cross, Ramsbury**  
Sunday 31<sup>st</sup> October 2010 at 4pm

Each year we hold a service to remember those who have died and give thanks to God for all that they have meant and continue to mean to us. This year the service takes place at Holy Cross, Ramsbury on Sunday 31<sup>st</sup> October at 4pm and will be followed by a cup of tea for those who would like to stay on.

The service takes place on the nearest Sunday to All Soul's Day (2<sup>nd</sup> November). It is open to all and those attending may light a candle in memory of their loved one.

During the service itself the congregation will be invited to lay a piece of rosemary in the chancel to make a cross around the names of those remembered. This will be formed of the names of those who have died in the last year, along with names written on the forms left in the churches.

Whilst many of those present will be giving thanks for people in these communities, those we wish to remember do not need to have lived in our villages, so please come along for this special service.

If you would like to talk to someone about the service, please ring Revd Simon Weeden (01672 520235) or the Team Office (01672 520963).

The form to add the name of someone you would like to remember will be in the Whitton Team churches from 1<sup>st</sup> October.

Dear All

When you read this I will have moved to Derry Hill near Calne whether ready or not!! It is rather hectic, to put it mildly, at the moment as I try to catch up on curtain making and packing.

However, none of this matters! What matters is that you have been so kind and generous to me as I have prepared to leave. The children at St. Nicholas gave me some wonderful class cards. There were some lovely comments and I will be taking them with me to Derry Hill and, no doubt they will help greatly in helping me through my early days in the new parishes, as will the notebook that the St. Nicholas' congregation gave me at my last service in Baydon. What a joy it is to have so many friends.

Thank you so much for your love, support and kindness over the last three years plus. I look forward to seeing many of you at the opening of the 'new' school and hope that you will also find time to give me a call or just turn up in person when I am in Derry Hill!

With love to you all

*Ann*

# Heads Up!

## Baydon St. Nicholas CE Primary School Report

I would like to welcome everyone back to school following the Summer break. Our staff have worked tirelessly, working around builders, painters, plasterers, electricians, security companies etc, often with no power and alarms bleeping loudly to complete the school ready for the children on time.

We have now settled into our new premises and routines and the children have enjoyed participating in activities lead by the World Wildlife Foundation and a Fire Safety briefing.

We are also fortunate in having an after school Football club and Multi Sports club running on a Tuesday and Thursday.

I would like to remind everyone that our Village Fun Auction is on 15<sup>th</sup> October in aid of our Building For The Future Fund, tickets are available from the School or Post Office.

Best wishes

Headteacher

## Grand Opening of the New School Building

Around 150 people turned up for the 3pm opening. The weather was kind to the speakers - Denise Mathewson (chair of school governors), Peter Chambers - headteacher and Rev. Simon Weeden then Harry Austen played a fanfare before Peter Chambers cut the ribbon and everyone was let in.

Everyone remarked how great the new school buildings were - champagne and chocolates were served and Kim Austen led a Band of 9 local / ex-pupils in the school hall to accompany the event. Bridget Walker and the governors and helpers did a marvellous job to show the new school to the local community.

# Baydon WI News

The September meeting of the Baydon W.I. took place in a classroom at St. Nicholas School.

Mrs Penny Stephens was in the chair, 11 members and 15 visitors attended to hear Mr Bill Moore speak about the Mary Rose, Past, Present and Future. Due to technical difficulties Mr Moore was unable to show his slides, but he enthusiastically and ably covered the subject using artefacts that he had brought. Mr Moore had made most of the artefacts himself and looked resplendent in his Tudor costume.

Mrs Stephens reported that August's meeting at the Merchants House, Marlborough had been a great success with 21 members and friends touring the house and the newly formed garden. The group also enjoyed a delicious meal at the Castle and Ball afterwards.

Also in August a group of ten members visited Denman College for a Basket Weaving day, which was very successful and was enjoyed by all who attended.

Next months meeting will be a Card Workshop, presented by Mrs Maureen Jepson.

## BAYDON THURSDAY CLUB

Regrettably the Thursday Club will cease to function in December, but there will be a mystery tour on 20th October and a final meeting on Nov. 4th to close down our accounts and make a donation to a charity of surplus funds. We will be meeting for the last time at our Xmas lunch on Dec 7th. We would like to thank all our members who have supported the Club so loyally over the past 38 years.

31 August 2010

**Chairman**  
Councillor Chris  
Humphries

Chairman, Cllr Chris Humphries, welcomed 43 people to the meeting in Kennet Valley Hall, Lockeridge on 31 August. The main focus was 'community issues'. Discussions included:

- George Lane, Marlborough- request for 'Puffin' crossing
- A presentation on the proposed 'Great Stones Way' walk from Avebury to Stonehenge, which would attract more visitors to the area and boost the local economy. Further information is available at [www.ridgewayfriends.org.uk](http://www.ridgewayfriends.org.uk)
- An update on the works at Pewsey Road Bridge. The future works programme was being reviewed to see if there would be scope to open the bridge for the Christmas trading period.
- A proposal from the area board task group for a £5,000 funding allocation for youth transport/access. It was decided to pilot provision of free mini-bus transport to three activities
- A brief presentation on the review of leisure facilities across Wiltshire and the impact on Marlborough. Marlborough Leisure Centre is in the programme for improvements and refurbishment.

### Grants awarded!

The Marlborough Area Board exists to make things better in the area and part of their work is to allocate funding to local projects.

**Aldbourn Parish Council** applied to the area board and was awarded **£773** towards the upgrade of an important footpath, improving access for all to the play area and village green.

**Marlborough Apple Day Festival** was awarded **£709** to raise awareness of local apple varieties and orchard habitats and to launch a community orchard.

**Ramsbury Allotment Association** was awarded **£697** towards the costs of a water standpipe on the condition that the allotment holders each contributed £5 towards the costs.

## Bus to Newbury

*Did you know that there is a bus that runs from Baydon to Newbury every Thursday for Market Day?*

The bus is actually subsidised by West Berkshire County Council and will visit the "Sheffords" on route if requested. It also travels into Hungerford. It is unclear as to why it also comes to Baydon, but a simple phone call to **01635 582929** (**new contact number**) will ensure you a seat.

It leaves Baydon (end of Downsmead) at 10.20am (**new time**) and leaves Newbury at 1.40pm for the return journey.

It may not be as quick, or follow such a direct route, as in the car but it certainly beats finding a place to park – and of course it is free for those over sixty (providing you have your bus pass).

At Band of Hope meetings, heart-rending songs and poems dealt emotionally with the wickednesses and sorrows resulting from strong drink. Well meaning persons came to the village from time to time; standing outside the School, they often got children to 'sign the pledge' long before they fully understood what it was all about.

On Sunday evenings in particular, the less indulgent drinkers often set out along Ermin Street with their wives and families. There were no fewer than five inns within walking distance: The Red Lion, The Plough, The Chalkers, The Brickmakers' Arms and the Hare and Hounds. Only a few miles on, the Pheasant opened its doors to the more determined travellers. They enjoyed the company, meeting fresh people. Parents drank their ale, cider and porter, whilst children played around outside, fortified now and then by a large sweetmeal biscuit and a swig of ginger beer. In these simple hostleries they roistered modestly before returning home to bed and the unwelcome thought of another week of toil.

It has already been said that the local farmers were the biggest employers of labour during the period of our survey. In the days before much mechanisation each farmer required three or four times the number of men needed to run a farm today.

Most farm buildings were rickety, draughty wooden sheds; indoor accommodation for animals was primitive and there was scant respect of consideration for matters of hygiene. Outside the yards were deep in mud and dung.

Ermin St with pub on right

Each cow was milked by hand, the milker perched on a small stool with head against the animal's flank. Milk pails were far from sterile, hands of the milkers sometimes dirty and the health of many cows suspect. After running through the cooler the milk was poured into churns and, unless sold on a local milk-round, taken to a depot. The price - sixpence a gallon!

### Next Edition - More on Farming and Food

#### Jack Naish : 1902 - 1995.

Jack and his wife Mary lived in Aldbourne Road, Baydon, for more than thirty years. A very respected and much loved 'gentle' gentleman, he had a wide knowledge of local people and village life, and was always ready to help anyone in need of assistance.

## BAYDON CIRCA 1900 - A SERIAL HISTORY by the late R J NAISH JP

### Episode 5 - Church & Farming

By popular demand, we're repeating the History of Baydon by Jack Naish which was serialised in Scene many moons ago. With oodles of thanks to Mo Lafford for collecting all of the editions together again.

At this time the Methodists were on the up-surge. They worshipped in their Chapel - which is now the converted cottage in Ermin Street, known as 'Chapel Cottage'. Here a number of village 'characters' met regularly to sing praises to the Almighty with evangelical enthusiasm. Among these were William Radbourne, whose daughter Alice taught at the school, William Marchant, a forbidding stocky figure with a long black beard, Thomas Peck, William Hayes and Fred Lawrence, a consistent opponent of the Established Church, a prominent Liberal and organiser of the sports at the Baydon Annual Flower Show. There was also Walter Scott, the village roadman, who kept the verges much tidier than they are today, and his wife Ellen, who was a Superintendent of the Sunday School and played the harmonium with one finger.

*Baydon Church & Farmers*

Here a service would sometimes be taken by Stephen Woodley, a pious man and convincing preacher. His lack of schooling would sometimes display itself as he read a Lesson, for he would pause and say 'Big word, pass on!!'

The Methodist Anniversary services were great occasions and ran on well into the ensuing week. They were held in the barn at Waldron's Farm, then owned by Mr Pembroke. Farmer Waldron, the former owner, was a Ramsbury man who sent several local shepherds in a windjammer to the Falkland Islands to develop the sheep-rearing industry there. Two Baydon men, Tom Barnes and Harry Barrett went out there for a time, experiencing all kinds of hardships and privations during their stay.

The two village pubs, The Red Lion and The Plough, also played an important part in the social life of the adult villagers. Some men visited their 'regular' nightly and were great drinkers. Beer was strong in those days and cost 1d a pint. As long as some men had a penny so they drank and were often carried home, helplessly drunk, much to their wives' despair and families' detriment. This situation, which was pretty general in England at this time, gave strength to the Band of Hope and Rechabite movement.

Greetings from the Red Lion!

Where has the Summer gone? The Bank Holiday weekend was a huge success and the sun even shone for us on the Sunday! Just to clear up any misunderstanding when the board went up saying 'once its gone its gone' it was for the left over beer from the festival!

We don't have any plans to go anywhere in the future so we are positive that we will be here for a long time! Lots of you turned up to see the Ickneild Morris Men accompanied by the Rose Hip Belly Dancers dancing in the car park, if you didn't get to see them then I'm sure you heard them!

Steve Carroll then played on the 10th and was brilliant. He is an acoustic soloist and played for 3 hours solid without a break! Loads of you missed him so be sure you are here on the 20th September when he returns.

So as the nights draw in, the weather changes and autumn sets in we have the following dates for your diary:

**Fri 29th October** - Halloween fancy dress party with a Rocky Horror Picture Theme and live music from 'Just Testing' at 9 pm. There will be a prize for the best dressed male and female!

**Fri 12th November** - Aura return to sing for you from 9 pm.

The **quiz every other week** is getting busier. More teams are welcome maximum of four per team and costs £1 per player for entry,

As Christmas is approaching apparently its only 82 days when writing this, we are now taking bookings for Christmas parties and for those of you who don't wish to slave over the cooker and relax, Christmas Day Lunch! Pop in to discuss menus and prices.

Until next time, bye for now and we hope to see most of you at The Baydon Bonfire & Fireworks on the 6th November.

*Sam & Blair*

## Baydon Brownies

1st Baydon Brownies meet every Wednesday evening during term-time at the BYPA.

We are currently running with 2 volunteer leaders, and are full with sixteen girls in our Pack. At the moment, we have a waiting list, and anyone who is interested in their daughter joining Brownies in the future should provide their contact details as soon as possible.

The earliest that a girl can start is aged 7, as long as there is a place in the Pack.

The girls usually work on a badge each term and also do a variety of other activities, such as crafts, cooking and games. We sometimes join up with other Packs in the area for meetings or special events. In September, the girls went on a trip to the Hawk Conservancy to see the Great Bustard, which is our County emblem.

Look out for the poster for our fundraising Soup & Sandwich Kitchen on 16 October (2-4 pm in the BYPA Hall) in this edition of Scene

# Focus On..

*Where we focus on something of interest, someone or a group of folk in the village*

## OUTSTANDING AGAIN!!

Little Crickets Pre-School are still in celebration of their achievement of another OUTSTANDING inspection for the 2<sup>nd</sup> time.

"It's so fantastic, as we achieved an outstanding in 2007, so to achieve this all over again is a real WOW factor" said Denise.

Our achievement couldn't have happened without the enthusiastic, dedicating members of the staff team and the support from the trustees and parents.

We have also passed our first year, with flying colours, a Bristol Standards Qualification. This is an accreditation award, for our practice to always improve on what we are doing. This is quite a challenge and is ongoing for 3yrs.

We have to work harder than most settings, as having to set up and pack away in a hall, can be very limiting. We always make sure that the children have all availability and access to all the toys.

Our children have lots of fun through play, while learning at the same time.

We cover a weekly topic, having a shape, colour, number and phonic letter sound, that the children go through each day.

Each child achieves at their own pace and are always encouraged, at all times. By the time they leave pre-school, they have become confident and independent for their journey up to primary school exciting and challenging.

In July we said goodbye to 14 children, ending the term with a concert of the Little Mermaid. All our leavers were then presented with books.

The pre-school is run by 6 trustees and is a charity organisation.

We have many fundraising events throughout the year.

This enables us to buy new equipment for the children.

Our next fundraiser is on Bonfire night, when we join up with Baydon Brownies, selling hotdogs, soup and drinks, so see you there.

We make the most of our outdoor garden environment, whatever the weather.

You may have seen us out in our brightly coloured jackets, when on our walks, around the village.

We have trips out and invite visitors into the setting that would be topic related.

You may have heard the police hooley van, when the kids let the siren off and all the lights flashing. The kids thought it was great, especially locking the staff up inside and talking on the walkie talkies.

We operate at the B.Y.P.A. hall in Baydon on

Tuesdays, Wednesdays, Thursdays and Fridays,

9 -3pm and take children from 2yrs to 5yrs.

For all enquiries about the pre -school, our phone number is 07896780007
